Mr. Wm. H. ...
2159 Van Pelt Street,
Philadelphia, Pa.

Dear Mr. ...:

Your letter of the 17th instant has been received in Mr. Speer's absence in South America. We are expecting him back the last week of this month, and at that time your request for his services the last Sunday of February, 1910, will be brought to his attention. It has just occurred to me, however, that he may be in Scotland at that time, but he will let you know definitely regarding this. I sincerely trust he may be able to comply with your request, and I know what a blessing he would be in stimulating the missionary interest of your Church.

I was very much interested in looking over your splendid report of the work done the past year.

Very cordially yours,

George W. ...
Secretary

October 19th, 1909.

Mr. D. S. Meese,

Murray-Dodge Hall,

Princeton, N.J.

My dear Mr. Meese:

Your note of October 18th addressed to Mr. Speer, requesting him to come to Princeton on December 9th or 16th, has been received. Mr. Speer has not yet returned from his South American trip, but we are expecting him the last week of this month, at which time your request will receive his attention.

I hope you may be successful in securing his services, and remain

Very cordially yours,

Langdon B. Gilman
Acting Secretary.

October 18th, 1900.

Strathcona Hall,
Montreal, Canada.

My dear Mr. Paterson:-

Your letter of October 18th, addressed to Mr. Speer, has just been received, who is now en route to New York from South America, where he has been for the past six months, visiting our mission work. We will place your letter where he can see it on his return, and you will doubtless hear from him as soon as possible thereafter.

Very sincerely yours,

George W. Fulton
Acting Secretary.

The Rev. J. D. Adam, D.D.,

West Orange, N. J.

My dear Dr. Adam:-

Your note of October 20th, addressed to Mr. Spear,
has just been received. Mr. Spear is now on his way south, and
will be back here on the 21st. He will please give your letter to him
and see it on his return.

Very sincerely yours,

Joseph H. Furton
Acting Secretary.

[Faded header text, possibly including a date or recipient information]

Your note of October 22nd, addressed to
Dr. Spear, has just been received.

Dr. Spear is now en route from South America, where he
has been for the past six months, visiting our mission work, and
is due here on October 27th. We will bring your request to his
attention after his return and he will facilitate communication with
you as soon as possible.

Very sincerely yours,

Acting Secretary.

The Rev. Robert Hugh Morris,

Dayton, Ill.

My dear Mr. Morris:

Your letter of October 23rd to Mr. Speer, requesting him to speak in the First Presbyterian Church of Dayton in November, has been received in his hands. Mr. Speer is expected to return from his South American trip the latter part of this week, and at that time your letter will be brought to his attention. I wonder if you are not mistaken in your supposition that he is to be one of the speakers at the State Post-graduate Convention on October 11th, 12th and 13th. It may be that he made this engagement while in South America, but I do not know of it. He will be exceedingly busy when he returns, but I hope that he may be able to accommodate you.

Very cordially yours,

Wm. B. Speer

October 28th, 1909.

The Rev. Chas. A. Bowen,
1825 Twenty-third Ave.,
Seattle, Wash.

My dear Mr. Bowen:-

Your letter of October 20th, addressed to Mr. Speer,
has just been received.

Mr. Speer has been in South America for the last six months,
but will probably return now within three or four days.
I may say that he is gathering material for a biography of Mr. Bowen, and
will doubtless be very glad to avail himself of the information contained
in your letter, which will be passed where he can see it when he gets
back to the office.

Very sincerely yours,

Acting Secretary.

Professor Charles D. ...
Princeton, N.J.

My dear Charles:

I got back to New York on Wednesday evening, and have just read over your letter enclosed in the Camp. I missed you the Summer at Camp, and fear I shall miss during the Winter the refreshment and exhilaration which the Camp life always has given me. It was so good to get the letters from the blessed little company there, and I shall rejoice to see the various members of the circle as it becomes possible. I suppose that you will be at the Board Meeting on Monday.

With reference to the Princeton lectures, I could come for the week beginning November 27th, but I have to be in the city on the evening of the 21st to speak at the Haymen's ... there, and will not get to Princeton until the afternoon of the following week. I have that night, but the 18th is a Board Meeting. The week beginning Monday, the 24th, I have free, but Thursday of that week is Thanksgiving Day, so that the first full week that I have entirely free is the week beginning November 29th. If some of the lectures could be in one week and some the next, however, we could easily get the ... earlier. I shall be glad to talk the matter over with you on Monday.

With regards to Mrs. Erdman and ... I remain

Very truly yours,

October 20th, 1978.

Mr. Tom D. Sloman, Jr.,
Dress Building,
Washington, D.C.

My dear Tom:

I got back on Wednesday evening from Santa Barbara, and
that Mr. Gunn's note of October 18th with reference to the exchange
in Washington. I expect to come down for the morning session of the
Symposium on Thursday 19th, but have already other commitments for
Friday, which will make it impossible for me to stay in Santa Barbara
that night, probably to meet early on the 20th. I will have to
write a memo of the 18th.

It is good to have the information on the 18th. I will
try to get the information on the 19th.

October 30th, 1909.

Mr. Henry E. Gregory,
Room 413, Terminal Building,
Park Avenue & 41st Street,
New York City.

My dear Mr. Gregory:

I am sorry it will not be possible for me to get to the meeting
of the A. J. and D. Committee on Friday afternoon, November 5th.
If I find that I can come, I shall hope to be present.

Very cordially yours,

October 30th, 1909.

Mr. Henry M. Tipton,
Room 413, Terminal Building,
Park Avenue & 41st Street,
New York City.

My dear Mr. Tipton:

I am sorry that I shall have to be out of town on Tuesday,
and that it will not be possible for me to attend the meeting of the
Board of Directors of the Juvenile Asylum that evening, and I have
nothing to suggest for Thursday evening. If I can get away from
it, I shall come to the meeting at that time at 21 Liberty Street,
in case the meeting is to be held. If I am not there, will you kindly
present my excuse?

Very cordially yours,

11
Mrs. M. Christie,

Peoria, Ill.

I am sorry that it is not possible for me to come to Lehigh for the evening of November 18th, as I have to be away from home that day. I am glad to see to the best of my ability to let you know that it will be possible for me to come there, if I can, and I will not forget to let your parents know as soon as possible.

President James C. McClure,

2348 North Halsted Street,

Chicago, Ill.

My dear Dr. McClure:

I got back to New York last week and have been trying ever since to catch up with the correspondence, reading, as far as possible, the letters of the months I was gone.

I cannot forbear writing just a word in reply to your good letter of September 23rd, to tell you how sorry I am that I did not get back in time to make it possible to come out to the Anniversary. I do hope that the meetings fulfil all your desires.

With warmest regards to all the family, I am

Ever affectionately yours,

Mr. Ransford S. Miller,

Department of State,

Washington, D.C.

My dear Ransford:

I was delighted to receive on Friday, when I got back to my office, your good letter of September 14th written from Tokyo. I saw in Barranquilla, Colombia, an American paper containing an account of the new Bureau in the State Department, and reporting that you were to be at the head of the Bureau on the Far East. I rejoiced to see this, both because of the important post to which it brought you, and also because you will now be nearer at hand, where it may be possible sometimes to see you.

I expect to get down to Washington next week for at least one of the sessions of the Laymen's Missionary Convention, and if I can get time I shall come around to see you then. Otherwise, I shall hope to see you whenever you are over here. I hope that whenever you come over, you will not fail to come and lunch with me. I expect to be here pretty continuously this month and next, but have to be in Scotland in January and February, delivering missionary lectures in some of the university cities.

I hope that you and Mrs. Miller are both well, and with warmest regards from Mrs. Speer and myself, I am

Ever cordially yours,

The Rev. John Barlow M. Devins, D.D.,

157 Fifth Avenue,

New York City.

My dear Dr. Devins:

Returning to the office yesterday, I found your very kind letter of October 5th with reference to the Annual Dinner of the Presbyterian Union on the evening of December 8th. I should be very glad to accept your invitation and to speak at the dinner that evening with reference to South America.

It is good to be back again, and to see my friends and to live an ever richer thing.

Very cordially yours,

The Rev. George Robson, D.D.,

25 Marlborough Road,

My dear Dr. Robson-

I returned to New York this week from South America, and write at the first opportunity in reply to your good letter of September 30th. Your judgment with reference to the time required for the lectures is conclusive, and altogether satisfactory.

I write you to ask as to the day on which I should reach Edinburgh. The Student Yachtster Convention, corresponding to the meeting in Newcastle at which you were present, is to be held in New York on December 23th to January 2nd, so that I could not get away from New York, at the earliest, until some time in that week beginning January 2nd. Would it be satisfactory if I should plan to reach Edinburgh say about Friday, January 15th? That would give the last three Sundays in January and the first three in February, and would make it possible for me to be back in New York about the

Will you kindly let me know whether the lectures should be confined rigidly to an hour in length, or whether I might exceed this limit, or should plan to cut the lectures down to shorter time?

I wish it might have been possible for me to come up to the Convention in Worcester, but I am only just back and it would be impossible to get away from New York for several days. There is so much work that needs to be got in hand again after so long an absence. I hope that you are having a fine and profitable Convention.

Please give my warmest regards from Mrs. Spence and myself to Mr. Pomeroy, and believe me

Mr. Wm. A. Rorer,
4700 Rittenhouse Ave.,
Philadelphia, Pa.

My dear Mr. Rorer:-

I have very much to thank you for the opportunity to see you in person, and I have had or shall have some very interesting conversations with you during the time. I shall hope, however, that we may be free at the time.

Very cordially yours,

1. The first part of the paper is devoted to a general discussion of the problem. It is shown that the problem is well-posed and that the solution exists and is unique.

2. In the second part, the problem is solved for a special case. It is shown that the solution is given by the following formula:

$$u(x, y, z) = \int_0^1 \int_0^1 \int_0^1 f(x, y, z) dx dy dz$$

3. The third part of the paper is devoted to a numerical solution of the problem. It is shown that the numerical solution is stable and convergent.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author details the various methods used to collect and analyze the data. This includes both primary and secondary sources, as well as the specific statistical techniques employed to interpret the results. The goal is to provide a comprehensive overview of the research methodology.

The third part of the document presents the findings of the study. It highlights the key trends and patterns observed in the data, along with any significant correlations or anomalies. The author provides a clear and concise summary of the results, making it easy for the reader to understand the implications of the research.

Finally, the document concludes with a discussion of the limitations of the study and suggestions for future research. It acknowledges the potential biases and constraints of the current work, while also identifying areas where further investigation would be beneficial. This section provides a forward-looking perspective on the field of study.

Mrs. William Borden,

Princeton, N.J.

My dear Mrs. Borden:

I saw Dr. Erdman this week, and the dates of the Princeton lectures have been arranged for November 19th to December 3rd inclusive. I will probably have an hour or more after each lecture before having to catch the train back to New York, and shall be very glad to meet you after some of the lectures to talk about Mr. Snyder's daughter. If you think this is delaying it too long, and plan to be in New York at any time before November 29th, I shall be glad to arrange to meet you then if possible.

Very sincerely yours,

November 5th, 1909.

Mr. W.E. La Gank,

Twenty-Third Street Branch,

Young Men's Christian Association, N.Y.C.

Dear Mr. La Gank:

Your kind note of November 2nd has been received. I am glad to do anything I can to serve the Twenty-Third Street Branch, but my long absences from the country this year make it necessary to crowd so much into the few months that I shall be at home, that I fear it will not be practicable to give a Sunday afternoon for one of your meetings. If I have engagements here at any time during the year which give me a spare afternoon, I shall be glad to help you if I can.

Very cordially yours,

My dear Mr. Holmes:

Your kind letter of November 3rd has been received. I wish I could accept your invitation, but I have been away for the last six months and have to go to Scotland for January and February, so that the year's ordinary work has to be crowded into less than half a year. That will make it impossible for me to accept many invitations which I should otherwise have been very glad to accept. I shall only be getting back from Scotland in March. We shall be especially busy then as we changed our fiscal year so that it closes now the last day in March.

Regretting that I cannot have the pleasure of coming, and with best wishes for the work, I am

[illegible] note of November 3rd has been received.

I wish I could accept the invitation which you have so cordially
kindly need, but in view of the situation in which I find myself, as explained
in my letter to Mr. Steiner, a copy of which I enclose, it will not be pos-

Mr. Bernard J. Steiner,
American Book Company,
New York, N.Y.

Dear Mr. Steiner:-

I am very glad to hear that you have received the
copy of the book which I have longed to see. I should get a copy that would
be of great value to the various and growing libraries of the
country.

I am very sorry that it will not be possible for me to have seen the
book in person in December 1911. I have only a few more days before I must
go abroad again for several months, and the arrangements already made
prevent me from being in New York at the time that is the best time for
me to do so in the Board Room.

Trusting that I shall meet you, and will have pleasure in the personal
contact of the Convention, I am

Very sincerely yours,

Mr. Spear regrets that other engagements will make it impossible for him to attend the Annual Dinner of the International Committee of the Young Men's Christian Associations.

November 20th, 1890.

Professor John Meigs.

Pottstown, PA.

My dear Professor Meigs:

As you will have learned probably from the Cooks, Joe and I got back safely on the 27th from our wanderings in South America, and very happy we were to be back once more, and I am looking forward to seeing you again this coming Sunday, which I think is my first appointment at the Hill. I believe my other appointments are December 5th, April 10th, May 1st and May 22nd, with a June Sunday dependent upon whether or not I have to go to Scotland to attend the World Missionary Conference in Edinburgh in June. I find March 25th also marked on my calendar, but with some tentative expressions.

Please don't trouble to answer this. I can get it all clear when I come over on Sunday.

With much love to Mrs. John and yourself, I am

Ever affectionately yours,

November 9th, 1909.

Mr. J.M. Colton,
Jenkintown, Pa.

Dear Mr. Colton:

I returned from South America the week before last, and Mr. Day has handed me your note of November 4th, asking whether I shall be in New York on November 12th. I have to be in Washington on November 11th, but as far as I can now say shall be in New York on the 13th and 14th.

Very sincerely yours,

Mr. W. W. Winant,

400 Fifth Avenue,

New York City.

Dear Mr. Winant:-

Dr. Spear wishes me to say that in view of the
various suggestions he proposes very much and that it will be impossible for me
to accept your kind invitation to speak before the New York Board of Health
on November 19th.

Very sincerely yours,

Samuel H. Spear.

November 10th, 1909.

The Rev. R.H. Morris, D.D.,

Evanston, ILL.

My dear Dr. Morris:

On returning from South America a few days ago I found your kind letters with reference to the possible meeting in the First Church of Evanston. I did not know that I had been announced to speak at the Brotherhood Convention. I found an invitation to the Convention when I returned, but was obliged to reply that it would not be possible to come as I have to be in Washington at the Laymen's Convention on Sunday, November 11th, and have an engagement here in the city for Sunday, November 14th. I would have been a great pleasure to come to Evanston if I could have arranged to do so.

I trust that your work is developing beyond even your boldest faith, and with best wishes, I am

Very sincerely yours,

Dictated November 8th.

November 10th, 1909.

Mr. Nathan W. Helm,
Evanston, ILL.

My dear Mr. Helm:

I was very much interested, on returning from South America a few days ago, to find your letter of July 4th, telling of your acceptance of the chairmanship of the Evanston Academy. I trust that the work has already opened up hopefully and satisfactorily, and that it may prove to be more than all you had expected.

I wish I could look forward to the opportunity of speaking to the boys some time in the near future, but I see no prospect of it. I am tied here for the next two months and must then go abroad again until some time in March, and have no appointments for the Spring that would take me out to Chicago or the vicinity. If ever the opportunity comes, however, I shall be glad to embrace it.

With best wishes, I am

Very cordially yours,

Dictated November 8th.

Mr. D. D. Deitch,

Y.M.C.A.,
Fulton & Fifth Streets,
Brooklyn, New York.

My dear Mr. Deitch:

On returning from South America a few days ago I found your note of June 11th, which had been acknowledged and kept for me.

I have no appointments in Brooklyn this Fall or Winter, and doubt whether I shall have any as I have already committed myself for practically all of this month and next, and expect to be in Scotland in January and February and will not get back until some time early in March.

Very sincerely yours,

November 10th, 1909.

Mr. Franklin H. Klotz,
2159 Van Pelt Street,
Philadelphia, PA.

My dear Mr. Klotz:

Your kind note of October 17th was acknowledged before my return from South America. I write now to say that I regret that it will not be possible for me to help you in the work of your Sunday School Missionary Society. I shall be in Scotland the Sunday you mention.

With best wishes for the work of your Society,

I am

Mr. J. H. Patterson,

Strathcona Hall,

Montreal, Canada.

My dear Mr. Patterson:

Your letter of October 27th was duly received and acknowledged before I had returned from South America.

It will not be possible for me, I am sorry to have to say, to come to Montreal for February 27th. I expect to be in Scotland at that time and I have a number of appointments over there and the appointments already made on this side, I have my schedule about filled up from now until next June.

Very cordially yours,

Mr. Sydney Barker,
13 Pell Mell, Stock Exchange,
Manchester, ENGLAND.

Dear Sir:

Your kind note of October 19th with reference to the Anniversary Meeting on April 12th, has been received. I wish I could have the pleasure of accepting your invitation, but I do not expect to be in England at that time. I have to be in Scotland in January and February and shall probably return to Edinburgh for the WORLD MISSIONARY CONFERENCE in June, but March, April and May I must be back in the United States.

Thanking you heartily for your kind invitation,

I am

Very sincerely yours,

November 10th, 1909.

The Rev. Thornton A. Mills, Ph.D.,
29 Wendell Avenue,
Schoenectady, New York.

My dear Dr. Mills:

Your kind note of October 28th was received the first day I was back in the offices after returning from South America. It was a great pleasure to hear from you. I have a very nice letter from Mr. Covert, President of the Union College Y.M.C.A. inviting me to come up for March 11th and 12th. I have had to tell him that I could not hope to do so. I am uncertain as to just when I shall be able to get back from Scotland, and I have already as many engagements, I fear, as I can hope to compass and at the same time to catch up with the work that will have accumulated.

I hope that you and Mrs. Mills are quite well, and with kind regards, I am

Ever cordially yours,

November 19th, 1909,

The Rev. Walter Ferguson,
Mansfield, OHIO.

Dear Mr. Ferguson:

Your kind note of October 25th was received and acknowledged before my return from South America. I appreciate the eagerness of your invitation to attend the Ohio Christian Endeavor Convention next June, but I shall probably have to be in Scotland that month in connection with the WESTERN MISSIONARY CONFERENCE, to be held in Edinburgh. I trust that you may not find any difficulty in arranging for a representation of the missionary cause.

With best wishes for the work of the Union, I am

Very sincerely yours,

November 1st, 1899.

Mr. Clarence S. Gee,

Wester, Ohio.

My dear Mr. Gee:

Your good letter of October 27th has been received and I am still in South America on a trip from which I will not return until after the Cleveland Convention. I had thought you had gone, and I should have been glad to see if I could, but that time might have been time for a visit to Wester, Ohio. However I am in Ohio and near enough to get to Wester. I shall be glad to communicate with Dr. Holden, or if there should be any time during the year, with you.

With best wishes for the work of the Association, I am

Very sincerely yours,

I am sorry not to have been able to answer earlier your letter of October 15th with reference to the State Christian Endeavor Convention of Maryland, but my other appointments will make it impossible for me to come to the Convention.

I trust that you will have a thoroughly good meeting.

Very sincerely yours,

November 10th, 1902.

Mr. W.C. Downs,
Schenectady, New York.

My dear Mr. Downs:

On returning from North America a few days ago, I found your kind note of October 15th, which had been already acknowledged. I would like to help you in the work in Schenectady, but I have already made up my schedule for this month and next, and must go abroad again for January and February.

With best wishes for the work, I am

and while I expect to be back in the Spring, I have no arrangements
then that will take me out to Chicago.

Very sincerely yours,

Rev. Clifford W. Brown,

My dear Clifford:

The following from the Board of Trustees of the United Methodist Church
will be published in the Chicago Tribune Building, Tribune.
I should be happy if it were possible to come out and be of any
help, but I have all my time occupied for the past several years
in the preparation of the January and February issues of the

I am glad that the work is going along so successfully,

Dear Mr. Tamm:

Your kind letter of June 14th, which was acknowledged during my absence in South America, I found awaiting me on my return.

Miss Matrice M. Cair,
123 Radcliffe Street,
Dorchester, Mass.

My dear Miss Cair:

I have received your kind note of October 23rd with reference to an open meeting of the Boston Student Volunteer League some time this year. I do not expect to be in or near Boston until next Spring, and I do not know what I shall do there then. If I come up for a Sunday at Cambridge or at Wellesley, I might be able to arrange for a Saturday evening at West End or at the factory, but I have as yet no definite appointment for either Cambridge or Wellesley and must wait for some time until I hear from the League regarding such engagements whereupon I shall have to see if I can make either of these appointments.

Very sincerely yours,

Mr. Roland W. Fernald,

My dear Mr. Fernald:

Your kind note of November 2d th, with the enclosed burglary policy and receipt on my Washington Life policy, has been received. Thank you very much for attending to these.

Dear Sir:

I am very grateful for your prompt and kindly reply to my letter of November 5th, and enclose, herewith, twenty-five cents in stamps, covering the cost of the Annual Review number of the Bulletin.

The Rev. Alexander Sprunt, D.D.,

Charleston, S.C.

My dear Dr. Sprunt:

Your kind note of October 2nd, confirming Dr. Kershaw's invitation to attend the Centennial of the Charlestown Bible Society was received while I was still away in South America. I write at the first opportunity to say that if it were at all a possibility I should be happy to come, but I have to be abroad again for January and February and I think some time in March, I fear, and have already engagements for all of the Sundays in March and April after my return.

I have written thanking Dr. Kershaw for the invitation, and I thank you for your most cordial reinforcement of it, and the invitation which I highly appreciate, to speak at the morning session of the First Presbyterian Church.

With kind regards, I am

Very sincerely yours,

November 10th, 1900.

Dr. L.H. Mansbach,
Storm Lake, IOWA.

Dear Sir:

Your kind note of October 18th, already acknowledged in my absence from the country, was handed to me on my return from South America. I appreciate very much the cordiality of the invitation, but shall not be able to accept it. Whatever time I am able to get from my office work during the month of July is already promised to the Summer Conferences of the College Young Men's and Young Women's Christian Associations.

Very sincerely yours,

Charleston, S.C.

Dear Sir:

On returning from South America I find your most kind
invitations of September 21st and 25th and October 5th. It would
be a pleasure to accept such an invitation, and I
would like to come for the Centennial anniversary of the
Society if it were possible for me to do so. I

will be in Charleston for all of January and February, and have
arranged to spend the first of my Sundays in March and April.

If I can have any free time when I could come, I should be glad
to accept your most kind invitation.

With best wishes for the work of the Society, and
with personal regards, I am

Very sincerely yours,

Mr. John G. Lacey,

Dear Sir:-

I was glad to hear of your kind note of November 10th.

I am sorry that it will not be possible for me to be long to you
in the proposed meeting, but I am sure that you will be able to
do the best for the cause.

I expect to return to my home in the West, but I shall
still remain in the city until the end of the year, and
I should be glad to see you.

Mr. Kennedy's bill was a very important one, and it is
in the interests of the man. I shall be glad to see it
in that way, and I shall be glad to see it in the
of charitable and missionary work, and I shall be glad
to see it.

It is good to be home again, where there is a chance of
seeing friends and where one is in living touch again with all the
great living movements. Still, there is a compensation in being
all the rush and turmoil here. One gets a rest of mind
and a steadiness of perspective which he finds it hard to keep,
plunged once more in the old tumult.

I hope it may not be long before you can drop in. I
received, some place in South America, your letter of July 24th with
the papers regarding the Lucknow Conference. I do not expect to be
able to be there, but I shall be glad, of course, to write any paper
which you may wish me to prepare, although I wonder whether the subject
which you have suggested for me to open might not be better treated
by some missionary. I should think, judging from his book, "The
Mission in a Persian Town," that Napier Malcolm would be a good man to
open that subject. I have an impression, however, that some one told
me that he has not been well, but that may have been a wrong report,
or he may have fully recovered. This is not an attempt to work any-
thing. Whatever your Committee decides to me, if you wish me to
do anything in view of the probability of my being there, I shall
be glad to do it.

Ever affectionately,

The Rev. John Timothy Stone,
 71 East Elm Street,
 Chicago, Ill.

I got home on Wednesday evening, October 27th, and back to the office on Friday, October 29th, where I found the Diamond Pond Round Robin, which had not been forwarded to me although I knew of its existence from Mrs. Snyder's letter, which had been sent on to Columbia. I was delighted to get these letters from the friends who are dearer than I can say, and whose fellowship this Summer was the thing I most missed next to home. This was the first Summer since Margaret was a little baby that we missed being at Diamond Pond. Such a loss brought home to me all the more keenly the value and dearness of that Summer fellowship. And I can't tell you how I missed the tramps with you, and the music of the brooks and the good nights in the woods. It seems almost unbearable to get back home and to have you way off in Chicago instead of near by. I am just hungry for a good old hug of you.

I never had any expectation of being at the State Brotherhood Meeting in Illinois. I never promised to be there, and only knew of the meeting when I got back to New York. I wrote at once that I could not come, as I had already promised to be at the Inglen's Convention in Washington.

I received today a letter from Deacon, which you will be interested to see. We must hold on to him and encourage him to believe

June - 2.

on the better possibilities for himself. I have written to him that he is deep mistaken in thinking that he has given up the fight, - that he has not given it up and can't give it up for the simple reason that God will never let him, and that however sceptical he may feel about it, the day is coming when he will be his true self, and not his false self that he thinks himself to be now.

I am afraid I sha'n't be getting out to Chicago in the near future. I have all I can look after for this month and next, and then immediately after the Volunteer Convention I must go to Scotland for six months.

I heard Andrew Stevenson at the Laymen's Convention in New York, and it was good to have his good report of what you have already been able to do in Chicago. I know that God will bless you more and more there and throughout the whole Church.

There is a lot to tell you about the trip in South America. I must make sure that a copy of my report to the Board, in case it is wanted, is sent to you.

With warmest love to all, I am

Ever your affectionate friend,

Wm. L. G. B.

Mr. Dwight W. Feist,
Stanford University,
California.

My dear Mr. Feist:

Returning to my office a few days ago, after an extended absence, I found your kind note of September 22nd. I do not expect to visit the Pacific Coast this year or next, and have other appointments which would make it impossible for me to go out.

Perhaps you may be able to get the help of some of the men who will be on the Coast in connection with the Convention of the Laymen's Missionary Movement this year. You could learn of the names of these men from the General Secretary, New York City, the General Secretary of the Movement.

I remember with very much pleasure my visit to Stanford and Berkeley and other institutions on the Coast some years ago, and should rejoice if there were any prospect of coming back again.

Sincerely yours,

Baltimore, MD.

My dear Mr. Swartz:

Your kind note of November 3rd has been received.

I have already heard from Dr. Holmes and written to him that while I should be glad to help if I could, my absence from the country for most of the Winter, and the other engagements which I have already made, will prevent my coming down for the time that he suggested. I am very sorry, because I do appreciate the importance of the opportunity which you are offering, and I hope that you may find someone who can give you just the help that you need.

I would suggest that you write to Dr. ... College Department of the International Committee of the Y.M.C.A., whose address is 124 East 28th Street, New York City.

Very cordially yours,

Mr. St. John,
The Choate School,
Wallingford, CONN.

My dear Mr. St. John:

On returning to my office, a few days ago, from an
extended absence, I read your kind note of September 1st.
I wish I might come up to visit the Choate School, but I have
been obliged since after the holidays to be gone for several
weeks, and this will eat down the Sundays available for school
work. I am afraid it will not be possible
to come to Wallingford this year. If some time later I can come,
I shall be happy to do so.

Very cordially yours,

W. H. C. C.

Miss Katherine Mumford,
National Park Seminary,
Forest Glen, MD.

Dear Miss Mumford:

Miss Emily C. Taylor has written asking me to reply directly to you with reference to her cordial invitation to me to visit the Seminary. I wish that it were possible to accept this invitation, but I have only one appointment in Washington this fall or winter, and that is on November 11th, and I shall not have time in connection with it to get out to the Seminary, much as I should enjoy doing so if I could.

Very sincerely yours,

Mr. L.S. Begent,
150 Broadway,
New York City.

Dear Mr. Begent:

On returning to New York after an extended absence a few days ago, I found a memorandum of your kind invitation to speak at Stamford some Sunday after the 7th of November and before the middle of December. I am sorry to say that all these Sundays are already engaged.

There is a possibility that through a misunderstanding one of them may be free, but I fear that if it is I shall have to accept some other precedent invitation and forego the pleasure of coming to Stamford again.

Very cordially yours,

Dictated Nov. 8.

Miss Alice Davidson,

The Essex,

Madison Ave. & 56th Street, N.Y.

My dear Miss Davidson:

I am sorry to have to say that the date of a series of lectures at Princeton Theological Seminary, which I promised to give before my visit to South America, has been fixed for November 29th to December 3rd. They come from five to six o'clock, but I cannot get away from Princeton, I believe, until almost eight o'clock in the evening, so that I could not get back in time for the meeting at the University Place Church House on December 2nd. I am sorry, as I should have been glad to come that night if I could.

With warm regard to your mother and yourself, I am

The Rev. David L. Robert,
Mexico, New York.

My dear Mr. Robert:

Your kind note of June 25th with reference to the Centennial Anniversary of the Mexico Church, to be observed next Fall, came while I was out of the country but was handed to me on my return. I should be glad if it were possible to carry out I fear that it will not be. That is just the season of the annual meetings, and next Fall my assignment of Synods will probably take me out into the West and will make it impossible to fulfill any engagements here in the East at that time.

I hope that you may be able to get up a good program for the Centennial, and that it may bring great stimulus to the Church.

Very cordially yours,

Enclosed November 10th.

Mr. Prof. Alfred T. Graham,
Lexington, Va.

My dear Mr. Graham:

Your kind note of August 23th, which has been already acknowledged, was handed to me on my return from South America a few days ago. I wish I could accept your cordial invitation. It is the kind that it is a pleasure to accept, but I have been away for six months, which leaves a good many things to be attended to in the office here, and I have to go away again early in January for the winter's work abroad, so that it will not be possible to accept your offer for such College evangelistic work as your letter offers the opportunity of at Lexington.

With best wishes for the work, and with kind regards,

Very sincerely yours,

Mrs. C.D. McIlvaine,

Box 889,

My dear Mrs. McIlvaine:

Your kind letter of September 30th, which had been already acknowledged, was handed to me on my return from South America a few days ago.

I am sorry that it will not be possible for me to promise to come for the meeting of the Society of the Beverly Church in May. That is the month when the closing conventions of the Laymen's Missionary Campaign are to be held, and as you know the General Assembly also is to meet then, and all the time I can hope to get away from the offices will be engaged in connection with these meetings. I am very sorry, as I should be glad to be of any help to you that I could.

I would suggest your trying to get some one of the
Rev. W.D. Johnson of Africa, whose address is 135 Duncan Avenue,
Washington, Pa., or the Rev. H.M. Mateer, D.D. of China, whose
address is in care of the Rev. W.S. Marquis, Rock Island, Ill.

Mrs. A.R. Jackson,
760 Grace Street,
Williamsport, PA.

My dear Mrs. Jackson:

Your note of November 4th, addressed to the Presbyterian Board of Foreign Missions, has been handed to me. I got back from South America on the 27th of last month and only wish that it were possible to come out to Williamsport to tell of the conditions and opportunities in South America, but I have already as many engagements as I can hope to fill between now and the end of December, and must leave then for another two months' absence abroad. I would suggest your trying to get some one of the best missionary speakers now at home on furlough for the evening meeting at Williamsport. I think you would find the Rev. W.C. Johnson of Africa, whose present address is 133 Duncan Avenue, Washington, PA. an interesting speaker. No one made a better impression than he at the Synod of New Jersey last Fall.

With best wishes for all your work, I am

Special H.F. Cutler,

Mt. Hermon, Mass.

My dear Mr. Cutler:

Your kind note of November 5th, inviting Mrs. Speer and me to spend Thanksgiving with you at Mount Hermon, has been received.

It would be a great pleasure to us to come, but we shall not be able to leave home for that day. If I am able to get away alone, I ought to go out to my old home in Huntington, Pa., where I have not been for several years, and where I have relatives whom I ought to see.

We do gratefully appreciate your kind letter.

We are very thankful for the remembrance of the two schools in his will. I wish that other wealthy men might follow his example in the disposition of their estates.

Mr. Samuel McCrea Cavert,

29 Furman Street,

Schenectady, N.Y.

My dear Mr. Cavert:

Your kind note of November 4th has been received. I wish I could look forward to trying to be of service to you, but I do not see any possibility of my getting out to you this Winter or early Spring. I have to be abroad, I think, some time in March, and have already a number of engagements made for the rest of the Spring. I would suggest your trying to get Mr. E. J. Colton of the International Committee. He is one of the most effective workers whom I know. I am only sorry that I shall not be able to come to give what little help I could.

The Rev. J.D. Adam, F.I..

East Orange, N.J.

My dear Adam:

I was delighted to get your note on my return from what you describe as "a long fishing trip in South America," and what might just as well be described so, for while I never used a hook, I caught quite as many fish as you and Stone are accustomed to catch at Diamond pond. There were many times when I longed for the fellowship and the joyful home life of the Camp. What had to be done had to be done, but I am not an applicant for any appointments which make it necessary to wander forth alone over the face of strange lands.

I wish I could come over to help you in connection with the missionary offering, but I have to go to Scotland the first week in January, and cannot take on any appointments for that week beyond those I already have. I expect to be away for all of January and February, and probably shall not be able to get back until early in March. I am going over in connection with the Buff Missionary Lectures, which are to be given at Edinburgh, Glasgow and Aberdeen, and in connection with which a series of missionary meetings have been arranged in various Scotch cities with a view to working up interest in the Edinburgh Conference to be held in June.

With warm regard to Mrs. Adam and Margaret from us all, I am

My dear Miss Holloway:

On getting back from New York, I found a memorandum of your kind invitation to me to speak at your Friday evening Missionary Meeting some time in January. I am sorry it will not be possible for me to come. I expect to go abroad again immediately after New Years, to be gone all of January and February.

Mr. Thomas S. Baker,
Fort Deposit, MD.

My dear Mr. Baker:

Your kind note of July 8th was acknowledged during my absence from the country, from which I returned only a few days ago. I regret to have to say that I must have engagements for the first Sunday of each month of the School year. I should have had one or two Sundays free but for the necessity of going abroad again in January on a trip from which I will not get back until after the first Sunday in March.

Mr. D.O.Meese,
Murray Dodge Hall,
Princeton, N.J.

My dear Mr. Meese:

I am writing as soon as possible after getting back from my vacation, in reply to your note of October 28th. I have to be in Princeton every afternoon of the week of November 29th-December 3rd, and if you have no arrangements for the meeting on December 2nd, that would be much more convenient for me than any earlier or later date. If you have that evening already provided for, I will do the best I can to arrange to come down some other evening. January and February and the first part of March are out of the question for me, as I have to be abroad again at that time.

I hope that the work of the year has opened well, and with best wishes, I am

Dear Mr. [Name]

[Address]

Dear Mr. [Name]:

Your kind letter of May 4th, which came and was answered immediately after my departure for South America last [Month], has just found me on my return here. I am sorry to have to say that it does not seem likely that I can come for the Commencement Address next June, as the WORLD MISSIONARY CONFERENCE is to be held in Edinburgh that month, and I shall probably have to be there, though I should much prefer to stay home. If I am at home, and it is possible to come, I shall be glad to do so, but I think the prospect is very slight.

I should like very much to see the Kingsley School, which I have known a long while and more intimately because of the connections to which you refer. Your son Charles I know well, and esteem him as every one who knows him esteems him. I am glad that he is to be in the School this year, and that he has the prospect of the great life work before him in China.

Very sincerely yours,

Mrs. Charles H. Knox,
756 Madison Avenue,
New York City.

Dear Mrs. Knox:

While I was still away from New York Mr. Thomas called with a cordial invitation in your name to a meeting of the Knox Memorial Bible Class some Sunday afternoon in March or April. I appreciate very much your kindly thought, but I have already engagements for all my Sundays in those two months, and shall not be able to have the pleasure of coming to speak to the Class.

I understand that Mr. Ward W. Adair, a business man connected with the Warburton Investment Company, is a most effective speaker, and I should think that he would be a good man to get.

My dear Mr. Warburton:

I was delighted to learn, just before going away, that you had accepted the call to the Association in Toronto. I had no doubt that you were following what you thought was the path of duty in going into business, and I rejoice that the same path has led you to Toronto and back into Christian work that takes all your time and strength.

I was very glad to hear of Mr. Adair, and have already suggested his name in reply to several enquiries, and shall be glad to do so still more.

Mr. Theodore Romaine,

Hackettstown, N.J.

My dear Mr. Romaine:

Replying to your note of September 4th, acknowledged during my absence from the country, I would say that I appreciate very much your cordial invitation, and wish that I could be of service to the Laymen's League, but I have already engagements for all of the third Sundays of the months until next Spring.

I shall be very glad to be of any service to you in finding suitable men, and would suggest the names of Mr. Ward W. Adair of the Warburton Investment Company, 111 Broadway, N.Y.C.; Dr. Samuel McCune Lindsay, whose home is in Englewood, N.J. and who is an expert in philanthropy and charitable work; the Rev. Thornton B. Fenfield, one of the agents of the College Department of the International Committee of the Y.M.C.A., whose home is also in Englewood, N.J.

Miss Anna V. Davis,

Dear Miss Davis:

Your kind note of the 26th has been received, and I wish I could write at once accepting your invitation, but I have already tentative engagements for all my Sundays until the middle of May. I have to go abroad again after the holidays and shall not get back until some time in March, and my professional schedule is already full for both March and April.

My dear Ross:

It is good to get back again, but it is woeful not to have you nearer at hand than Baltimore. Still, I know how happy you must be in the new field and how happy the people are to have you.

I hope you will be coming up soon to a Board Meeting or to some other engagement in New York, so that it may be possible to see you again.

I am assuming that the tentative arrangement we talked over regarding Sundays for the Fifth Avenue Church is off now, and that I can make other provision for these Sundays. This is correct, is it not ?

Mr. Henry W. Frost,
235 School Lane,
Hermantown, Phila., PA.

My dear Mr. Frost:

I returned from South America on the 27th of last month, and you will know what a joy it was to get back again. Not the least of the pleasures of home-coming is the nearness to old friends. I never appreciated as much the blessings of friendship, or missed as much the joys of the familiar fellowships as during this last Summer. I hope it may not be long before I see you again. I felt especially the loss of the day at Princeton and all that that has come to mean to us.

Mrs. Speer and the children were all well when I got back, and we have had some happy days together since my coming, which I have had the less compunction of conscience in taking, as I must soon again leave my family, this time going to Scotland for January and February.

I hope that you and Mrs. Frost and all the children are well, and that all the work of the Mission is prospering.

Since coming back your note of May 10th has been handed to me, and I have been trying to recall the year of that Conference at Hightstown. My impression is that it was 1887, but I will not be sure. Mr. Wisnora might know, for he was there, or I think we could get it from some of the old Princeton records.

I never knew, however, that that conference had anything to do with the beginning or the confirming of your missionary

thoughts, but I remember what an influence it had on me.

Miss E.S.Creighton,

Englewood, N.J.

My dear Miss Creighton:

Your kind note of September 28th was waiting for me when I returned from South America a few days ago. I shall be very glad to try to speak at the School some Sunday evening this year, but I am a little uncertain as yet as to what Sundays I shall have at home, and I have so few of them that I am a little loath to surrender any part of them, but some one Sunday evening at least, I shall surely try to come up. I am not sure whether I shall have any Sunday before the holidays, unless I am able to stay at home for December 12th, and after the holidays I have to be abroad for January and February, and probably the first Sunday in March, but after that I should hope to be at home for several Sundays in April and May.

As for the matter of an honorarium, of course I should not think of anything of the sort, but should be only too happy to have the opportunity of meeting the girls.

Professor George E. Vincent,
5737 Lexington Avenue,
New York City.

My dear Professor Vincent:

Your kind note of October 6th was received and acknowledged while I was still away in South America. I appreciate very much your cordial renewal of the invitation to come to Chautauqua. I am sorry that it has not been possible to come some of the preceding Summers that you have so kindly invited me, and I am sorry that it may not be possible to come this Summer. There are only three months in the Summer, and in June I shall probably be abroad in connection with the Edinburgh Missionary Conference. If I can get away for any vacation, I shall go for August. I have already promised that all the time I can get away from my office in July I will give to the Summer Bible Conferences of the College Young Men's and Young Women's Christian Associations, and for years I have promised that as soon as it became possible to do anything more than this, I would go to the Summer Bible Conference of the Young Men's Christian Associations in my native state of Pennsylvania.

You speak of my having consistently declined to accept an invitation to Chautauqua, but several years ago I had the pleasure of accepting an invitation of yours to speak on a missionary day there, but I think you were away from Chautauqua at the time of my visit.

Very sincerely yours,

November 11th, 1909.

Miss Elizabeth L. Ely,
Branwich, Conn.

My dear Miss Ely:

Your very interesting letter of September 11th was received and acknowledged while I was away in South America. I have spoken to Mrs. Speer about the matter, but neither one of us knows of a girl whom we could suggest at the present time. I hope that you have already found some one. If I learn of anyone who meets the conditions, I shall be glad to put her in communication with you.

Thank you very much for the invitation to come up to speak some Sunday afternoon during the School year, but my long absence in South America and the necessity of going abroad again early in January has reduced the number of Sundays available for schools and colleges, and I have already filled either tentatively or finally all those which I had free.

I am glad to know that everything is going so well in the School, and with kind regards, I am

Ogontz, PA.

Dear Mr. Austin:

On returning to New York a few days ago I found your kind notes of August 3rd and October 20th. I do not expect to be in Philadelphia any Sunday this Winter or Spring, unless it should be a Sunday at the University of Pennsylvania in April. In that case, however, I will surely be speaking in the city in the evening, and could not get out to Ogontz. If I had an evening free I should be happy to come, and should very much enjoy speaking to the girls.

Your kind note, returning my small check, has been received, and I need not say how much I appreciate Mr. Bulkley's characteristic kindness and all the considerate help which you have so cordially given.

Thank you very much; I am quite free from the little cold which I had the evening we got in, and which was due to some very sultry, humid weather we had in Colombia, and then to the change to a colder climate.

Sir Alexander R. Simpson,
52 Queen Street,
Edinburgh, Scotland.

My dear Sir Alexander:

Your very kind letter of October 22nd was received the day I returned to our offices from a six months' visit to the Missions in South America.

I do appreciate highly the most kindly invitation from Lady Simpson and yourself to be your guest while in Edinburgh. I remember gratefully your hospitality when I was last in Edinburgh some nine years ago, and it would be a great pleasure to be in your home again. Dr. Robson, however, has had charge of all the plans for my coming, and I have feared to make any engagements of any kind without consulting him, as I told him that I would leave everything in his hands and carry out whatever program he formed. I have written to him of your kind letter, and will write again on hearing from him, although he may himself communicate directly with you.

I am sorry to have to say that Mrs. Speer will not be able to come with me, and that I shall be in Scotland for these six or seven weeks alone.

Charles E. Cahill,
Colebrook, N.H.

Dear Old Deacon:

I have just received to-day your letter of October 27th and am writing at once, sending one copy of my letter to East Columbia and another to Colebrook, so as to be sure to reach you.

You may be sure that again and again and again this last year I have been thinking of you. One of the first things I did when I got back was to ask about you. I had had a letter or two from Stone from Camp, one written just before the trip on which he expected to go fishing with you. I cannot tell you how my heart sank when I heard, not that you had been drinking again, but that you had given up the struggle. But I tell you, Deacon, you are mistaken in this. You hav'n't given up the struggle, and even if you have, God has'n't given it up, and you can't get away from him. He is in your heart and is not going to let you be satisfied. No man can love you so much, or long for your deliverance as much as He does, but there are men, too, who never will give you up. It doesn't matter if we have to wait thirty or forty or fifty years. I am not going to give up nor dream for one moment that you can be satisfied with having gone back to the old thing again. You will come back to your own better manhood.

I am only sorry that I was such a poor friend and helper when you were down here. I can think of many things I ought to have done to help you, which I let other things which looked like duty take up my time so that I couldn't do. But one thing I can do and

... ..

I will never give up hoping for you and believing in you until you and I are both dead, and I guess that I won't need to give up then.

You tell me not to answer your letter and not to hate you. Please your dear old heart, because you can't make me hate you. I am just as much your friend as ever and more, and I only wish that I could see you now, and that you were down here where I could see you. I would like to see you, even if you are doing things that would break our friends' hearts if hearts ever broke.

But some day you are going to stop all this. That's as sure as the sunset and the sunrise. You are going to stop it and stop it forever, and you are going to be the clean, true, loving and lovable man that God meant you to be, standing straight up on your feet, and helping other men who are down. There is no use in your contradicting it or in your disbelieving it, because down in the bottom of your heart you know that it is true. The love of God is going to save you yet, and your own true and better self is going to prevail.

Please write to me often, and if you want any books or papers let me know.

I haven't seen any of the Camp Diamond people except Mr. Erdman. I have had good letters from them, and I am hungry to see John Stone and Wash Huyler. I saw the Sunday after I got home, but not to have talk with him. I understand he has left the Hill School, where I know he had stayed and fought it out. Don't lay up any of the boys' sins against him, and try to help him to be a stronger man by being yourself. Some day, through having won your own victory, you are going to be able to help boys like this, just as you were helping Wash the days. Even though the fight was fierce you were on the winning

Bill - 6.

I am writing out at home to-day, and I wish we had you
the real true you, - the Deacon that was for a little while
is going to be again some day. You can't fight him off
He is coming back to you again and again and again, until
you will let him stay and leave behind forever the Deacon
can't you.

God bless you, Deacon, and give you new hope and victory.

always your loving friend,

and Nov. 23th.

November 12th, 1909.

Mr. A. F. Pitt,

East Northfield, Mass.

Dear Mr. Pitt:

I returned from South America a fortnight ago to-morrow and am just beginning to catch up with the letters. I was very much interested to learn, through your note of July 28th, of your new plans, and earnestly wish you success.

The Winona Company never paid any royalties on the little booklet on the Second Coming. I believe they promised to do so, but they never did and I never wrote to them on the subject. You are entirely welcome to it without any royalty obligation if you are all secure on the matter of the copyright, which was taken out by the Winona Company in its own name in 1903.

The little book published by Robert Scott entitled "The Value of Hardness" has not been issued in this country. It was published in the Record of Christian Work as a Northfield address. That is the only form in which it has appeared, I believe, in this country.

I have never written out the address on "No Compromise," and have not thought of doing so.

I hope that you will be sure to stop in whenever you are down in New York. I shall be glad to learn more about your plans.

With kind regards to Mrs. Pitt and yourself, I am

Ever cordially yours,

Mr. C.S. Trembull,
1031 Walnut Street,
Philadelphia, Pa.

My dear Charlie:

Your good letter of October 27th was duly received.

I am glad to have the memorandum of the editorial and the two articles for which you are counting on me. As to the other article on "The Peril of Money," I shall be glad to think that over and to write it if you don't find some better person. Having in remembrance Dr. Thompson's lecture at Princeton on "The Divine Order of Human Society," I cannot forbear wishing that you would bid write that instead of me, or Mornay Williams would do it finely, and that would introduce a new name into the paper. But as I have said, if you don't find someone else, I will be glad to do it.

I found, among my letters on returning, your memorandum regarding the continuance of the Young People's Prayer Meeting topics. I shall be glad to go on with these, and shall try to send you within the next month or so the copy for January, February and March, as I shall be in Scotland, as you know, for January and February.

It was so good to see you, if only for a moment the other day. I hope that it will not be long before you are over again, and this time for a little longer stay.

Ever affectionately yours,

Mr. A.J. Elliott,
276 Greenwood Avenue,
Kankakee, Ill.

My dear Dad:

I got back from South America a few days ago and was glad to find your good letter of September 26th, acknowledging the photograph which Mrs. Speer sent you after I left home.

I had a great trip, and learned more than you can get in a college of education.

I appreciate your warm invitation for Geneva next Summer, and shall be glad to come if it is possible. It is too early yet to know just what I shall be able to do in June,

I hope that Mrs. Elliott is well, and that each day all things become newer and better for you both.

Very cordially yours,

Mrs. William H. Beeman,

Seattle, Washington.

My dear Mrs. Beeman:

I was very much interested, on getting home from Seattle the week before last, to hear of your marriage, and am so glad that your father was able to be with you to perform the ceremony. Mrs. Speer has shown me your letter to her, and I do hope that the new life which has begun so happily may grow ever richer and richer, and that both you and Mr. Beeman may be able together to render a better and truer service than could ever have been possible apart.

Very cordially yours,

Mr. John Chalmers Gillespie,

My dear Chalmers:

On getting back, the other day, from a long trip in South America, Mrs. Speer gave me the notice of your marriage on October 19th. I want to send you and Mrs. Gillespie my heartiest congratulations. I trust that God may bless your lives with the very truest and best blessings.

The Rev. Walter Russell Bowie,
c/o Mr. Laverack,
Buffalo, New York.

My dear Russell:

I have been off in South America for the last six months, and I have learned of your marriage on my return the week before last. I want to send my heartiest congratulations, and to wish for you and Mrs. Bowie the best and richest of lives.

Ever your friend,

Mr. John R. Mott,
138 East 27th Street,
New York City.

My dear John:

Your letter of October 1st with reference to the Volunteer Convention, was waiting for me when I got back. I have written to Edinburgh to find when I am due there for the Duff Lectures, and have suggested that it would be best for me to get there for Sunday, January 11th, for the first lecture. If that is satisfactory, I could easily leave New York on January 6th and 7th and be there on time.

Of course, I shall be glad to do anything I can at the Rochester Convention, but the less that you find it necessary to call on me for, the better satisfied I shall be.

Ever affectionately yours,

Dictated Nov. 8.

Mrs. Gilbert E. Swoope,
Newville, Pa.

My dear Mrs. Swoope:

Your very kind note of November 5th has been received. I wish I could accept your good invitation for the first Thursday in April, but I already have appointments for the morning of each Thursday of the month, which would make it impossible for me to get over to Chambersburg in time for the evening meeting.

Very cordially yours,

Miss Mary Caswell,
Wellesley, Mass.

My dear Miss Caswell:

I received, yesterday, your kind note of November 6th, and have written a number of letters with a view to getting my appointments for next March settled. I have been away for six months, and it is not easy to get everything clearly in hand. There has been some little confusion over my appointments at Yale, and some other tentative engagements covering the last two Sundays of the month, which I have also written to clear up. I shall let you know as soon as I can know myself whether it will be possible for me to come to Wellesley for March 20th. In case I can get to the vicinity of Boston for only one Sunday this Spring, I think I must go to Andover, where I feel my first obligation to be. It is a little harder to arrange everything than usual, not only because I have already been away so long, but also because I must go abroad again for January and February.

Very cordially yours,

Dictated Nov. 8.

Principal Alfred E. Stearns,
Andover, Mass.

My dear Al:

I returned a few days ago from a six months trip to South America, and have been busy ever since reading up back correspondence and trying to gather up all the threads. I notice, in one of the Andover bulletins, that I am down as one of the preachers for the Spring term at the School, and I write to ask whether I had named any day. On the schedule which I find here, Andover doesn't seem to be down, and I am trying to arrange everything now so as to include what seems to me to have first claim. In case I didn't arrange for any definite day, could you let me know what Sundays are free, and I can then let you know whether any free day of mine corresponds.

I hope that you and Mrs. Stearns and the children had a good Summer. I missed the New Hampshire air and the exhilaration of the woods, and especially those trips which we had promised ourselves.

With warmest regards to Mrs. Stearns, I am

The Rev. Sherman H. Doyle, D.D.,
4717 Springfield Avenue,
Philadelphia, PA.

My dear Dr. Doyle:

Your kind note of Saturday is just received.

I had not known that I was down on the program of the Laymen's Movement Convention in Philadelphia, and do not know that it will now be possible to arrange to attend. Your kind letter is the first intimation that I have had that I was expected to be there. I shall take the matter up at once, and if I find that I can come shall be glad to do so, but I very much fear that it will not be possible to be in Philadelphia for Sunday, the 21st.

I am dictating at home to-day, but shall take up the matter at once with Dr. Halsey and Mr. McConaughy on reaching the office to-morrow, and we will be glad to do anything we can to help you in your purpose with regard to your Church.

Very cordially yours,

Dictated Nov. 6.

*P.S. I have since been able to arrange to go to Philadelphia for Sunday
the 21st at the request of Mr. McConaughy, as Dr. Francis has agreed to*

November 15th, 1909.

Mr. J. C. P. Manvier,
1409 South Broad Street,
Philadelphia, PA.

Dear Dooney:

I have been able to arrange to come over to Philadelphia for November 21st, and told David McDonoughy at Washington on Thursday, and he said he would telegraph at once to you. I have a letter from Dr. Boyle which I enclose. I have written to him that I left my arrangements for Sunday entirely in your hands, and asked him to see you. I shall be glad to do whatever you think will best help the cause.

Ever affectionately yours,

Dictated Nov. 15th.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be clearly documented and supported by appropriate evidence. This includes receipts, invoices, and other relevant documents that can be used to verify the accuracy of the records.

Furthermore, it is noted that regular audits are essential to ensure the integrity of the financial data. These audits should be conducted by independent parties to provide an objective assessment of the records. Any discrepancies or irregularities should be promptly investigated and resolved to prevent any potential issues from arising.

In addition, the document highlights the need for transparency and accountability in all financial dealings. This involves providing clear and concise explanations for all entries and being open to scrutiny from stakeholders. By adhering to these principles, organizations can build trust and ensure the long-term success of their financial operations.

Mr. Charles J. Trumbull,
1331 Walnut St.,
Philadelphia, Pa.

My dear Charlie,

I am coming over to Philadelphia for the coming Sunday, to speak at the Fourth Church in the morning and the Holland Memorial in the evening, and at some students' meeting which Javier is arranging for the afternoon. Will it be entirely convenient if I accept your invitation to come and stay with you? I have a note, characteristically kind, from Mrs. Turner, inviting me to be her guest and if I am going elsewhere at least to come to her house for dinner on Sunday, and I have told her that I would be glad to come for dinner, but that you had been good enough just a few days before to tell me to be sure to come and stay with you. I am afraid that something may have arisen, however, to make it inconvenient for you and Aline to have me. If not, I shall be glad to come, as promised, but if it is, please do not hesitate to say so, so that I can accept Mrs. Turner's invitation. I am not sure when I shall be coming over on Saturday. It depends on whether I am needed at a Saturday evening meeting or not.

Ever affectionately yours,

November 18th, 1908.

Rev. C. A. R. Janvier, D.D.,

1409 South Broad St.,

Philadelphia, Pa.

My dear Rodney,

Your note of the 16th is received, and I shall be glad to carry out any program that you arrange for Sunday. I shall be staying either with Mrs. Turner or Charlie Trumbull, and if with Charlie Trumbull shall be dining with Mrs. Turner Sunday noon.

Is the Sunday afternoon meeting for students to be a missionary meeting or evangelistic, and when will it be held? Can you tell me whether I am down for anything on Saturday evening, as if I am not, I shall not be coming over until late that night. I have not heard from Campbell White as to whether I was down for any part of the Saturday program.

Ever affectionately yours,

Dr. J. J. ...

Your kind note of November 15th is at hand. I am sorry that it will not be possible for me to attend the Annual Meeting of the Executive Committee and other matters of the Federal Council in Louisville, December 5th to 9th. Very faithfully yours,

My Dear Ned,

I thank you very much for your kind note of yesterday. I shall certainly plan to be at the meeting of the Mount Hermon Trustees on Tuesday, and in addition to accept your invitation to come down on the 20th to the Downtown Club an hour before the meeting of the Trustees.

My dear Mr. Brown,

Your kind message regarding the meeting of the Young Men's
 Association, which was held on Monday, December 25th, has been received. I should be very glad to accept
 the invitation if I were free for that evening, but I have to be down at
 Princeton, New Jersey, next week, delivering a course of mission-
 ary lectures there.

The Rev. John H. Strong,
 Rochester Theological Seminary,
 Rochester, New York.

My Dear John:

It is a lovely picture of you and the baby. It is a sort of civilized way of returning to primitive devices. All through South America this last Summer we saw the babies carried in just that way, only in a folded up blanket instead of a basket. The plan is a fine one, and I think we will have to put it into use next Summer. My only fear is that the older children will think that the fund of that kind of travel is so great that they will insist on sharing it.

Thank you ever so much for your invitation to come and stay with you, which will be altogether irresistible, unless, as I fear will be the case, I shall have to stay at whatever hotel may be made the headquarters of the Convention, in order to be present at the constant conferences which fill up the time between meetings. I have been at all the Volunteer Conventions now, and have found that it is practically indispensable to be at the central headquarters, but if I am not there, I shall certainly be with you, and if I am there, I shall certainly have often to see you.

With warm regards from us all, I am

Your affectionate friend,

Wed Nov. 17.

The Rev. Lewis Vernon Lodge,

Leicester, Ia.

Dear Lew:

Your good letter of the 18th has been received, and Mrs. Spear and Elliott and Margaret have all been delighted to receive your greetings. Elliott is devoted to the pedometer. Mrs. Spear writes to tell you, in answer to your enquiry whether it is wearing out, that the pedometer is all right, but there are days when it does not do the boy. Still, he gets up the next morning as lively as ever. I wish you could come over and see him. Mrs. Spear and I both appreciate your kindly word regarding him.

I wish I could come over some Sunday soon to be with you, but I have all my engagements full until the holidays, and I must leave for Scotland for some missionary lectures and addresses and work preparatory to the GLEBE MISSIONARY CONFERENCE to be held next Fall, and shall not return until some time in March, and all my Sundays in March and April are tied up, and some of them, I am sorry to say, tied up with two or three strings. As to May I am still a little undecided. I don't know how my General Assembly plans will shape themselves, and also the final work of the Women's Missionary Campaign. But come here if I can come, you may be sure that I shall be glad to

Chicago, Ill.

Chicago, Ill.

My dear Sir:

Your kind letter of the 11th has been received. I am sorry to hear that you are unable to attend the National Brotherhood Convention in Chicago. I had no engagement with you, and knew nothing of it until I returned from South America a little over a fortnight ago, and I had already arranged to be in Washington at the National Machinery Convention in Washington. You may be surprised to find that in Chicago and New York time to spare, I should certainly have come over to the machinery convention.

As regards the work as to that convention there are going to be few visitors at the Edinburgh House as you know. I have not been able to find out. The best thing would be to get some appointment made, but Dr. Life says that the first is full and that there are a whole lot of applicants waiting. I am going to tell him to keep his eyes open for a good application for you, however, and I shall write Mr. Carroll, who is Secretary of the American Committee, asking him whether he can tell me just what the civilizing responsibilities of a non-delegate are.

With regards to Mrs. Johnson, I am

Mr. Gorman,
124 East 28th Street,
New York City.

Dear Madam:

Thank you very much for your good letter of love herewith. I have been intending to write you a note of welcome back from your trip abroad. I hope that you have had a good time, - the very best of times. I had a splendid trip in South America, and shall be glad to tell you about it some time. I have written a long and full report, which will be printed, I think, and I shall see that you get a copy of it.

I hope that you and Mrs. Goodman are well, and with warm regards, I am

affectionately your friend,

The Rev. Boyd Edwards,
438 - 7th Street,
Brooklyn, New York.

My dear Boyd:

Your letter of November 10th was duly received.
I am sorry it will not be possible for me to help you in February,
but I expect to be in England at that time. I have some missionary
lectures that are to be delivered there, and must have to give some
time, also, to preparations for the World Missionary Conference in
June. I shall have to leave here just after the Student Volunteer
convention, and shall not get back until some time in March.

Very cordially yours,

Dictated Nov. 17th.

Mr. J. W. Turner,

Leopold, Koro Island.

Dear Stanley:

I was very sorry to miss seeing you the other day. I wish you had seen me. Please don't fail to send me the form you are now.

I would be glad to give help in the proposed meetings at Leopold, but the Sunday after Thanksgiving I will be finishing a course of three evening lectures at Lincoln University, and the next week I will have to be at the Student Volunteer Association in Philadelphia. I hope that you may be able to arrange the meetings, however, and that it may do real good.

I am very sorry that I was away last week at the time of the meeting. It is a great pity to be in such a position.

Ever your friend,

Mrs. Janet T. Ellis,
 1700 Connecticut Avenue,

My dear Mrs. Ellis:

Mrs. Speer showed me your very kind and offer of a dinner at
 her home in Washington at the time of
 the meeting of the Executive Committee of the
 National Council on Education for the Young
 People. It would have been a very great pleasure to accept your invitation,
 and I do thoroughly appreciate your kindness in asking me.

Miss Mary Weddell,

602 M Street, N. W.,

Washington, D. C.

My dear Miss Weddell,

I thank you very much for your kind invitation in behalf of the Ladies' Missionary Society of the Central Presbyterian Church to come down for your Praise Service some Sunday night before the middle of December. I am very sorry that it will not be possible for me to accept your invitation, but I have already engagements for all my Sundays until next May.

Very cordially yours,

Wilmington, N.C.

My dear Fred:

I am sorry to have missed seeing you yesterday. I had hoped to see you before this, and having failed, set down a memorandum to write to you today. I hope that when you are in town the next time, you will be sure to stop in.

I was at the Hill on Sunday, and saw John (son of L. H. H.) and I wish I might see Mr. Anderson and you. It has good of you to write while I was gone, and I trust that my letter to you came safely. We had a fine trip and learned much. If one can see through these lands and not come back with a heavy heart. The things are truly awful, and the religious forces of Europe and the United States, and even the foreign missionary organization of the Roman Catholic Church, pass South America carelessly by.

Please give my love to Mrs. Anderson and George.

Ever affectionately yours,

Wilmington, N.C. (1914).

17th April 1900

Dear Mr. [Name]

I have been thinking much of late of the Philadelphia Convention of the [Organization] and it is already April 16th and I am at [Location], and

It is just three weeks ago this evening that I got back, and I was surprised to find at home. My own country seems more than ever, more progressive, more sprightly, more satisfactory, than ever before. If all its debts, it is a heavenly land in comparison with those countries where we were traveling. I have written a report of all for the Board, which will, of course, be sent to you if and when it is printed.

I am glad to hear that you had not been well, and that you are already on the point of leaving for [Location]. For the [Organization] of the [Organization] and [Location], it to be.

Very cordially yours,

September 10, 1909.

Miss Little,
1100 Commerce Street,
100 Spadina Ave.,
Toronto, Ont., Canada.

Dear Miss Little:

The very kind letter signed by Mrs. Falkner and yourself
reference to the 7th National Convention of your Association
at Ottawa next November, has been received. I have not yet made
arrangements for October as next November, save at certain engagements
and have regularly in the meetings of our Board. I am afraid that
it would not be possible for me to come to Ottawa for
November 6th, as I would have to be in New York at the afternoon
of the 7th, when our Board will hold its first Executive meeting.
In view of this, I can't know whether I could get away from my own
private obligations at that time. I can only say that if it were
possible to come, it would be an unqualified pleasure to accept
your cordial invitation.

With kind regards, I am

Very sincerely yours,

Mrs Mary Reese Fuller,
North College,

My dear Mary,

Elliott showed me your good letters to him and the list of questions. He explained about this that as far as I have been able to read it all, and in that way it resembled the letters which I had written to him from North College. I got safely back three weeks ago tonight, having had a splendid trip with no storms or accidents or mishaps of any kind, and with wonderful experiences and a great deal of interesting observations. I had read but knew little. As a matter of fact, I had not even seen the map and I hadn't walked on, but certainly, the only way to know people is to go and live among them. Prescott's "Conquest of Peru" would have undergone several changes if Prescott had been able to visit Peru. I have written a long report on everything for the Board, and of course I shall try to send you a copy. I was two months in Brazil, one month in Chile, one month in Mexico, and the other two months in the States and a visit to England, Scotland, Ireland, and the Azores, all of which included on the way, and a remarkable experience trip around through the world's history.

Yours truly,

My dear Miss Brick:

I cannot tell you how much obliged I am to you and all the Diamond
and friends for the splendid letters which were awaiting me when I got home,
as the uncertainty of our movements at the end made it a little insecure to
send letters after us.

I am sorry that you weren't able to develop a substitute gown.
If I had foreseen that I was to be away this Summer I might have prepared an
understudy last year, but I could not have given him my skill in costuming.

Mr. George C. Coleman,
Harrisburg, Pa

My dear George:

I got home just three weeks ago to-day, and hope that it isn't going to be too long before I get a glimpse of you. It was so good, on getting back, to find the bundle of Camp Diamond letters, which had not been forwarded as there was some uncertainty as to our movements toward the east, and all mail had been held in New York. It was very good of you all to write these letters, and I did especially appreciate your dear letter and Mrs. Coleman's. I missed Camp more than I can tell you. The home friendships never seemed denser than this Summer when I was away from them, and this Fall when I came back to them. This was the first Summer we had a good Camp now for many years, and it doesn't seem like a single year without that blessed fellowship and the uplifting invigoration of that air.

As you can believe, we had a fine trip. There were no accidents or mishaps or illnesses of any sort, and I think we saw as much as six months as it would be possible to take in. I have written out a full report of it and have to get it off to the printer next week. I shall enc, of course, that you get a copy of it. We went a month in the cabin. I didn't get over my seasickness, but went up the Magdalena and over the Mountains to Bogota. It is a fine country, one of the most attractive countries and loveliest people I saw, and one of the most pathetic in the waste and undevelopment of it.

I can't begin to tell you about the trip, though, or I shall not get through. Some time before long I hope we can have a chance to talk it all over.

Many, many times during the Summer I thought of you and rejoiced in

My dear Mr. Simpson:

Your kind note of November 13th is just at hand. I would be very glad indeed to accept your invitation to attend your summer conference in July, but I do not expect to be in the country that time. If I go to the World Weather Conference in Edinburgh, my present plan is to return immediately to the United States after the close of the conference.

Trusting that you will have a very good conference, I am,

Yours sincerely,

My dear Mr. Schullian,

I do thank you heartily for your most kind invitation to speak at the meeting of the Brooklyn Presbytery Union in January. I should be glad to come if I were to be in the country, but I expect to go abroad again immediately after the holidays, to be gone until sometime in March. I expect to spend the whole time in Scotland, delivering the 21st Missionary Lectures in Edinburgh, Glasgow and Aberdeen, and participating in the preparations for the World Missionary Conference to be held at Edinburgh in June.

Ever affectionately yours,

Mr. Anson Phelps Stokes,

My dear Mr. Stokes,

I wrote a letter in reply to your kind note of November 6th
in reference to March 13th, but before sending it Mr. Vilas wrote of
something that I thought I ought to be told earlier, and I assumed, ac-
cordingly, that the proposal for March 13th would be off. I shall look
forward to coming for the one Sunday on December 15th.

Dear Mr. Schieffelin,

I am sorry that I have an engagement to speak at Princeton on Thursday afternoon, December 2nd, at five o'clock, which will prevent my attending the meeting to prepare for the Laymen's Missionary Movement Campaign, and I trust that you have some good representatives of our church on the committee of arrangements, so that we may take our full share in the preparations and the work of the campaign. I am giving your note regarding the meeting to Mr. Hodgson in order that he may be sure to be there or arrange to have someone else represent us.

Very sincerely yours,

I was in Philadelphia over Sunday and could have come to
 see you if I had not been filled up after with meetings and other

I thank you heartily for your kind note of November 15th, inviting me to be present at the Christian Endeavor Convention in Liverpool next May. I am sorry to have to say that I do not expect to be in England at that time, and cannot arrange to come over especially for the meetings then. It is the month during which the General Assembly of our Church meets and even if I were not deterred by that, I would be kept here by the necessities of our own office work.

Alfred E. Stearns,

Amherst, Mass.

Dear Sir,

I was very glad to get your note of Tuesday's date, and have still unanswered your kind letter about some Sunday at Amherst in the Spring. Mr. Stearns has written about the dates, and I will let him know as soon as I can get my schedule in order.

With reference to the Bible class that you are going to teach, suggestions as to books would depend very largely on the line of study you are going to take up with the class. It seems to me that there are three different ways of studying the life of Christ and that any one of them is as much as one course to get a class over. The first would be the study of Christ's life in the ordinary sense, viz. a study of its incidents and its work, the development of his mission and all the themes which enter into a biography. The second would be to take up the teachings and influence of Christ. The third would be to take up the study of his character, with the significance of his character and its life and yet vitally practical questions of his responsibility.

There are good books on all of these lines of study. Under the first, Stalker's Life of Christ is the simplest, beside which there are Merkle's Life and Times of Jesus and Andrews' Life of Our Lord. There are some later books, like Weiss's, but I do not care for this, perhaps because of strong disagreement with some of its views. Under the second method, the books that would suggest themselves are Jesus' spoken teachings of Jesus. Stalker's new book on the "Teachings of Jesus according to the Gospels," and beside which, among the larger books, are Meitz's Teachings of Jesus and Stevens' Teaching of Jesus. Under the third method, the best book would be Bushnell's

... of Christ and C. A. Gordon's Christ at Nazareth.

The International Committee of the Y. M. C. A. has issued a number of good practical Bible courses on the life of Christ. I would suggest your getting from Mr. Clayton S. Cooper, who is the Bible Study Secretary, 124 East 28th Street, New York City, a list of their courses. The easiest line of study is, of course, the first. The next easiest is the second, and the hardest, the third. Nevertheless, I prefer the third if you have students who have got something of a grounding in the first, but without a knowledge of the facts of Christ's life and also His teaching. It is very hard to study intelligently His character. Perhaps the best thing to do would be to take the first line, but to subordinate the purely biographical features, depending on the other two methods of study, namely, the application of His teaching to life and the uniqueness of His character and personality.

Please let me know if I can be of any further help.

Your sincere friend,

Mr. C. H. Hesse,

Mr. Dear Sir,

Princeton, N. J.

My dear Mr. Hesse,

Your kind note of the 19th is received, and I shall look forward with pleasure to speaking at the meeting on Thursday evening, December 22d. I must get the 7:45 train here on that night, so I shall be a few minutes late. AS I have been quite busy, I have not had time to write you more fully, but I will give you all of the particulars of my plans in a separate letter, which will give me a full twenty minutes before having to leave for the train.

Very cordially yours,

100

Dr. J. S. Edwards, M.D.

100

Postroad Avenue & Dean Street, Brooklyn, N. Y.

My dear Dr. Young,

Your very kind note of the 23rd is received. I had not forgotten your cordial invitation at the luncheon the other day, and only wish it might be possible for me to accept it. I have all my Sundays full, however, until next Spring, and have to go abroad again within a few weeks, to be gone until sometime in March, while I have more than I am going to be able to do for the few weeks before I leave. If, sometime after I come back, I can arrange to come over, I shall be happy to do so.

Very cordially yours,

November 25th, 1909.

Mr. Geo. S. Cooper,
102 East 25th St.,
New York City.

My dear Sir,

I was glad to get your letter of November 17th in reference to the work of the Bible Study Department. If I can send any help toward its financial needs later, I shall be glad to do so, but just at present I can't. I have had to be away in the Foreign Missionary office of the Church for a little while, but I shall get it in before the fiscal year ends; but I have been away so much and have to be away so much in the near future, and all this, while on missionary business, has involved no little personal expense, so that I shall have to hold up on a few things which otherwise I should be very glad indeed to help.

With ever kind regards,

Very sincerely yours,

Dear Mr. ...

I am sorry that I cannot be of more help to you. I have been very busy lately and have not had time to do much of the work which I have promised you. I shall do my best to get it done as soon as possible. I am sure that you will understand my position. I shall be glad to see you if you can come to Edinburgh, but I fear not for any of the other conferences. If I don't go to Edinburgh, then I can be of some help to you. I shall be glad to know definitely, I think for some little time, although I really have to be that I shall go. Having my appointment as a delegate from our Board I presume I ought to go, although I should like to be convenient and I would rather stay at home.

Yours faithfully,

Dr. A. A. Hoody,

East Northfield, Mass.

My dear Will,

In reply to your letter with reference to a good man to assist as pastor in the Free-Methodist Church, I would suggest at once the name of the Rev. D. J. Davies, one of our missionaries from China who will not be able to go back because of his wife's health, but he has already accepted a call to a church near Philadelphia. I think, however, that some names that would be worth while for your inquiry to investigate would be the following: the Rev. James Dunbar, Mt. Holly, N. C., the Rev. Frank Wilkins, Burlington, N. C., and the Rev. George C. Livingston, of New Brighton, Staten Island, N. Y.

Not knowing the church that you have in mind, I will not give you further suggestions because so much depends on the church's idiosyncrasies, but these are good names that occur to me in reply to your inquiry.

Instead of saying "All yours", I would say "All bully".

Ever affectionately yours,

November 16th, 1897.

Mrs. Victor Spear,
170 Lexington Avenue,
Buffalo, N. Y.

My dear Anna,

Your letter of November 16th was duly received, and I have since heard from Mr. Cook and after talking with Will, have written to him that I think the course which he suggests is the wisest one, namely, that I should renounce my right to be executor and that then, on your petition, with a waiver of notice signed by Will and Mary and the other executors, the will shall be probated and your appointment as temporary administratrix made permanent. Mr. Cook will prepare the papers and I will see that they are signed. It was evidently Vic's desire, as it would be everyone's, that his entire estate should go to you, and his only purpose in naming me as executor must have been to seek to make it as easy for you and to put in words his wish, which I would have known and acted upon in any case. I am glad to hear that you will be able to do this, and that you will do it. His purpose for you seems to me will be best fulfilled by having everything come at once and authoritatively and finally into your hands. If, in the matter of investments or in any way, I can help you, I know that you will let me know.

Now and Albert and Margaret and I went by to Buffalo on giving day to dine with Will and his family. We all wished that you could have been there with us, and will still be happy to see you soon. I am, as ever, your affectionate friend.

Your affectionate friend,

November 2, 1900.

Mr. Malcolm Spencer,
95 Chancery Lane,
London, W.C., England.

My dear Mr. Spencer,

It was a pleasure to receive yesterday your note of November 15th, and I should be very happy if it were possible to accept your invitation and attend the conference of the Young People's Missionary Movement next summer, but I shall not be able to remain in Great Britain after the Edinburgh convention. Indeed, in view of my many absences from America recently, I should be glad if I could escape going to Edinburgh in June. I think I shall probably go, however, but as I have said, shall come back at once. If I were to be in England in the summer, I should be glad to come to your conference.

I remember very well the days in London in 1900 and the photographs which we exchanged. I trust that you may be coming over to this country before long.

With kind regards,

Very sincerely yours,

November 21, 1911.

The Rev. A. C. Dixon, D.D.,

The First Church,

300 North Dearborn, Chicago, Ill.

My dear Dr. Dixon,

I enclose herewith two articles which I have written for your
 issue, one on "Sin" and the other on "God in Christ the son, Revelation of the
 Fatherhood of God". If, on looking them over, you find that they don't fully
 meet your purpose, please don't hesitate to let me know. Thank you.

Very cordially yours,

Dec 10, 1909.

The Rev. John Hancock Devins, D.D.,

150 Fifth Avenue,

New York City.

My dear Mr. Devins,

Your kind note with the enclosed tickets for the Transactions
Salon dinner for Mrs. Spear and myself have been received. I hope that Mrs.
Spear may find it possible to come. - If not, I will return one of the
tickets.

Very cordially yours,

Walter F. Spear,
550 Elliot Square,
Buffalo, N. Y.

My dear Mr. Spear

I thank you for your letter of the 10th and will refer to my brother's estate. I had anticipated that the same would be placed in the hands of his wife for her management and in view of my brother's purpose in naming me as executor could only have had this in view, and I regret as his desire has been met and as I am at Mrs. Spear's service at all times for any help that I can render, I think the course that you suggest is wise and shall be glad if you will prepare the necessary papers to renounce my office as executor and my brother and sisters and I will sign the waiver of notice.

Thanking you sincerely for your kindness in the matter, I am,

Very truly yours,

Walter F. Spear

~~CONFIDENTIAL~~

November 29th, 1949.

Mr. I. G. Baker,
200 State St.,
Connecticut, U. S.

My dear Mr. Baker,

Your copy of November 25th has been received. I enclose herewith
copy of a letter you written to Mr. Stevenson, which will explain in possibly
more detail the reasons for the pleasure I am taking in the con-
tinuation of this work.

Very sincerely yours,

November 17, 1913.

The Rev. Dr. Russell Stevenson, D.D.,

6 Wilson Street,

Birmingham, N. Y.

My dear Dr. Stevenson,

Your kind note of October 27th has been duly received. I wish I could come up for the Convention in Saratoga, but I have already filled up my schedule. I returned from South America only a few days ago and must go abroad again the first week in January, so that it has been necessary to crowd a great deal of work into a few days. Dr. [?], [?], will write something too about the [?] of the message, but I had to tell him that the conditions would make it impossible.

It would be a great pleasure to come and to be with you and Mrs. Stevenson again.

Ever cordially yours,

November 21st, 1901.

The Rev. George Robson, D.D.,
36 Murrayfield Road,
Edinburgh, Scotland.

My dear Dr. Robson,

Your kind letter of November 17th came yesterday. I had written to Mr. Alexander that I would accept his original invitation, with the limitations as to several week-ends which you had suggested, but my letter had not gone off and I have now written him again, in line with your last suggestion and shall look forward with pleasure to coming directly to you on reaching Edinburgh, and I shall let you know later on which steamer I shall cross.

All the arrangements that you have made or may make are entirely satisfactory to me. I shall only hope and pray that I may have strength to improve these splendid opportunities for missionary service.

With warm regards, and thanking you for your constant kindness,

Very sincerely yours,

November 27th, 1899.

Sir Alexander Simpson,
52 Queen Street,
Edinburgh, Scotland.

My dear Sir Alexander,

I have just heard from Dr. Robson and he writes that, as there will be many points to go over in connection with the arrangements for the six weeks that I am to be in Scotland and the various meetings in so many places, he wishes me to come directly on arriving to his house, and that he thinks it would involve some inconvenience if I should go elsewhere then, but I am glad to say that he allows me to say that I may accept your hospitality for a portion of the time, but that he would be glad if the portion might be left undetermined until after my arrival. I had already written, after a previous letter from Dr. Robson, saying that I would come directly to you and telling you how grateful I was for the most cordial invitation from Lady Simpson and yourself, but Dr. Robson's later note has been suggested by the various questions which have arisen and which I will doubtless be well to talk over with him at once on arrival.

Looking forward with great pleasure to seeing you and Lady Simpson and to accepting for at least part of the time your most kind hospitality, I am,

Very faithfully yours,

November 29th, 1909.

Mr. Delevan L. Pierson,
 14 East 23rd Street,
 New York City.

My dear Del:

I shall be glad to try to send you, some time this Winter, an article on Christianity's Relation to the non-Christian Religions, which would cover the ground you suggest, although it might, perhaps, bear more appropriately some other title than the one you propose. How would you like to have something on the grounds which justify our work in South America? I have gone over this subject in my report to the Board, and could send you, perhaps, an article bearing some such title as "Are Protestant Missions in South America Justified?" or "Should Evangelical Churches be Excluded from South America?" Would you care for this, and if so, how many words would you want?

I shall be very glad to be of any help, I can in advising with you regard MISSIONARY REVIEW, although it would be more convenient for me if you could have a day-time meeting, instead of one in the evening. From the tenth of December on I have my week days and nights pretty free.

With ever warm regard, I am

Your sincere friend,

Dictated Nov. 27th.

November 29th, 1909.

Professor John Meigs,

Pottstown, Pa.

My dear Professor Meigs:

I promised to write to you about March 20th, - which I find will be all right, so that I shall look forward to coming to the Hill for that day.

Very affectionately yours,

Dictated Nov. 27th.

November 29th, 1909.

The Rev. David L. Roberts,
Mexico, New York.

My dear Mr. Roberts:

Your kind note of November 18th is at hand. I am sorry that the new date of the Centennial will not fit my plans any better. I do not know whether I shall be back by that time from the WORLD MISSIONARY CONFERENCE in Edinburgh, and I have promised, if I am, to go for both of those days to the Summer Student Conference at Northfield, so that I am afraid I must be counted out.

Very cordially yours,

Dictated Nov. 27th.

November 29th, 1909.

The Rev. Henry W. Frost,

Germanstown,

Philadelphia, PA.

My dear Mr. Frost:

I do thank you for your good letter of November 22nd, and wish I might drop in at one of the Saturday afternoon Prayer Meetings. I look back with much joy to the meetings which I attended a couple of years ago, and should be happy to come back again, but I am not getting to Pottstown so often this year. I missed the first two months being away in South America, and must miss January and February, through being away in Scotland, where I expect to go immediately after the holidays. If some time I find I can arrange to drop out, however, I shall let you know in advance, and take advantage of your warm invitation.

Ever affectionately yours,

Dictated Nov. 27th.

November 27th, 1909.

Professor S. Grant Oliphant,
Olivette, Michigan.

My dear Professor Oliphant:

Your kind note of November 21st was received yesterday. I remember a visit which I made to Olivette at Thanksgiving time just twenty years ago this Fall. Dr. Butterfield, I think, was President then, and I had Thanksgiving breakfast with him, and in his generous hospitality he had invited me to spend one day, but I had to get on to another appointment in a distant part of the state the next day, with the result that I was snowed in at a railroad station, and had one dry bun with no butter on it, for a Thanksgiving dinner. I have always lamented the dinner that I missed. I should be glad to come back and eat it now, but there will be no possibility of my getting to the College this year. I have my book rail here for the East until Christmas, and then I must go to Scotland for the Winter, and my engagements are already pretty well filled up for the Spring. I shall probably be going out to Chicago for the Laymen's Convention in May, but have no idea that there will be any spare time either going or coming to stop off anywhere.

It was a pleasure to hear from you, and I wish I could come to try to be of some help to you in the situation which you describe.

With kindest regards, I am

Very sincerely yours,

Dictated Nov. 27th.

November 29th, 1909.

Mrs. Henry Dillon,
185 State Street,
Perth Amboy, N.J.

My dear Mrs. Dillon:

Your kind note of November 17th was received yesterday. I appreciate your most cordial invitation on behalf of the Foreign Missionary Society of the First Presbyterian Church of Perth Amboy. I remember very well the kindly invitations of previous years. I cannot say now whether it is going to be any more possible for me to come this year than then. I have just come back from a six months' absence on the Mission field, and must go abroad again to be gone until some time in March, and then April, as you know, is the month when our Women's Boards have their meetings, as well as the Presbyterial Societies, and we have to give first place to the meetings of the Boards and second place to the meetings of the Presbyterial Societies, and then go last to as many of the local churches as possible. The first and third Mondays of each month, also, are difficult ones, because our Board always meets then and one can never be sure as to when the meetings will be over and how far it will be possible to travel for a meeting after the adjourning of the Board session. I think, accordingly, that if it is necessary, as I have no doubt that it is, to arrange for the meeting thus far in advance, it would be wiser for you to plan to have someone else. If, however, after I come back in March, I find that it will be possible to come, I shall be glad to endeavor to arrange to do so, but the uncertainties are so many that I really think it would be safer and more comfortable to plan now for some other speaker.

With best wishes for the work of the Society, I am

Very sincerely yours,

November 27th, 1909.

Mrs. George Wood,
1 Linden Lane,
Princeton, N.J.

My dear Mrs. Wood:

Thank you a thousand times for your kind note of November 25th. I am looking forward with great pleasure to the Princeton Lectures, and not least to seeing you. I hardly know what time I am going to have in Princeton, however, outside of the Lectures. I must get back to New York every night either on the seven o'clock or the 7.45 train. Monday, Wednesday and Friday nights I must get back on the seven o'clock train, and the other nights on the 7.45, as I have to speak at the Young Men's Christian Associations in the Seminary and College those two nights; but if before or after some one of the Lectures I can come down to Linden Lane, you will certainly see me.

With much love from us both and all, I am

Your sincere friend,

Dictated Nov. 27th.

November 29th, 1909.

The Rev. Robert Johnston, D.D.,
544 Dorchester Street, West,
Montreal, Quebec, Canada.

My dear Dr. Johnston:

Your kind note accompanying the book was received yesterday. Thank you very much for your trouble, and thank you very much, also, for your cordial invitation. I wish I could look forward to accepting it, but I am already filled up, so that I do not see any way of working it in. I have to go to Scotland the first week in January and shall not be back until some time in March, and have already a number of appointments for the Springtime, including all those Sundays of the month which would be possible for a trip to Montreal. Our Board meets on Monday, so that the Sundays preceding the Board Meetings are always impracticable for visits to far-away places.

Thanking you heartily for your kindness, I am

Very cordially yours,

Dictated Nov. 27th.

Mr. Louis V. Davison,
Englewood, N.C.

My dear Mr. Davison:

I have to be in Princeton next Wednesday evening, and fear I cannot get away in time for the Session Meeting that evening. If I am not there, will you kindly present my excuse?

Very sincerely yours,

Dictated Nov. 27th.

President R. E. Vary,

1000 1st St. S.W.

Washington, D.C.

Dear President Vary,

Your kind note of November 24th is received. I should be glad if I could accept your invitation, but our General Assembly meets in May and I shall be obliged to attend the Assembly or else, through the absence of others, shall be kept in our offices here.

Thanking you for your kind invitation, I am,

Very truly yours,

Mr. Richard G. Morse,

124 East 20th Street,

New York City.

My dear Uncle Richard:

I am very sorry that I can say but a series of lectures which
I am giving at Princeton University this week does not give me time to
join you at Anniversary Dinner to-morrow night, but my heart will be there
with you, dear Uncle Richard, and it always is whenever you are and wherever
I am, and I wish you and dear Rachel God's best and ever better blessings
all the days and all the eternities.

Ever affectionately yours,

November 30th, 1904.

Mr. J.B. Waller,
Princeton University,
Princeton, N.J.

My dear Mr. Waller:

Your kind note has been received. I shall be very glad to take dinner with you on Thursday evening. I have to speak that evening at the Philadelphia Society, and can meet you at the close of the lecture at the Seminary, or come to the Cottage Club to meet you.

Very sincerely yours,

October 20th, 1919.

Dear Mr. [Name],

The Rev. Herbert Shipman,

55 Fifth Avenue,

New York City.

My dear Mr. Shipman:

It was a real pleasure to hear from you again, and I wish I could accept your invitation to speak at the proposed meeting for trained nurses in New York on the afternoon of January 2d. I would gladly do so if I were to be here at the time, but I expect to have to be in Rochester that Sunday at the Quadrennial Convention of the Student Volunteer Movement. I trust you will have a good meeting, and with kind regards, I am

Mr. J. E. Wd.,

Passenger Traffic Manager,

30th Street Station,

Philadelphia, Pa.

Dear Sir:

Enclose, herewith, an unused portion of railroad ticket.

Will you kindly redeem same, and oblige,

Yours truly,

November 30th, 1909.

Mr. DeLoren L. Pearson,

44 West 25th Street,

New York City.

My dear Del:

My note to you and your note of yesterday must have crossed. Dr. Young has written to me about coming over to the Bedford Church, but as I have written to him, all my Sundays are full into the Spring, and as for the week nights, I am tied up every night this week at Princeton, and must leave in about a week for Scotland, to be gone for two months, and have all that I can hope to handle between now and then.

In reference to the article, I will try to get something into shape for you along the line of my suggestion yesterday. Will Lloyd was down the other day, and wants to know whether he could arrange with you to use the same thing in the RECORD OF CHRISTIAN WORK.

Thank you very much for your suggestion regarding luncheon, but I am going down to Princeton each day this week on the 2.10 train, and am getting bite as I go through the Pennsylvania Station in Jersey City. I hope we can get together later.

Ever affectionately yours,

December 1st, 1909.

The Rev. G.A. Johnston Ross,

Bryn Mawr, Pa.

My dear Mr. Ross:

It was a great pleasure to get your note of November 19th, and a kindly letter from Miss Caroline Delano at the same time in behalf of the College Christian Union. I enclose a copy of my reply to her letter. I was very much that I could come over, but as you will see, I am tied up until Spring time. The necessity of spending two months in Scotland has crowded things so that there aren't as many Sundays available for home work as usual. I do not expect to get back from Scotland until the second week in March, and am leaving just after the holidays. As for Wednesday evening, which you kindly suggest, I am tied up for all my Wednesdays until Spring time. As I do want to come over, partly for my own sake in which I can be of any help, but even more to have the pleasure of seeing you and Mrs. Ross, and I shall hope to come whenever the way is open.

With warm regards from Mrs. Spear and myself to you both, I am

Very cordially yours,

December 1st, 1909.

Miss Catherine Dolano,

Bembroke West,

Bryn Mawr, Pa.

My dear Miss Dolano:

Your kind note of December 17th was now dead and I have not been able to answer it definitely until now. I am sorry to have to say that I am not in any possibility of coming over to Bryn Mawr for one of the busy evenings this winter. I have all my Sundays definitely arranged for until the middle of May, with the exception of March 27th, and have already a number of instructions for that day, some one of which I must accept. For all of January and February I have to be absent, and in the evening after May 3th, I am somewhat uncertain, as it has not yet been determined who is to represent our church at the meeting of the General Assembly, which always comes that month. It is possible that I may be free some one of the last two Sundays in May. It will be some time before we can start our services here again for the winter, and you will not be holding them so late in the Spring.

I have thought that you would be interested to know
 that I have just been to the office of the

My dear Mr. [Name]

It is all a matter of habit and I hope that you never hear
of me trying to do things which are not my business to do.

I will send you, as soon as I get them from the printer, a
copy of my book on South America. One of the things that I have been
writing about is the subject of daily work at reading a few articles, but if one is
not going to do any more than that with one's mind already already be-
lieving that one is going to do more and more away from error than the
average.

I hope you will wish for your kind regards to Mrs. [Name] and the
children. We are all very well, and wish you could come here and visit us
often.

I shall be very glad with great pleasure to see you and to meet in
London, I am,

Your sincere friend,

Mr. George S. Hood,

My dear Mr. Hood,

I have had some of your letters to me. I wish I could
have seen you at the meeting in January 20th, but I shall be
unable to do so. I shall go to Boston the first week in January, and shall
be glad to see you there. I am glad you are having good meetings
of the church and that there are so many new members enrolled this
year.

Yours truly,
Wm. H. Burleigh

The Rev. John Johnston, D. D.

12 Market Street,

Charleston, S.C.

My dear Dr. Johnston:

Your kind note of December 13th was duly received, and I greatly appreciate your expression of willingness to accept the kind invitation which I have made to you. I wish that with slight delay it were possible for me to come, as I have had some standing engagements for the first Sabbath in May, and am unable to tell the best time even for the present in view of the meeting of the General Assembly, which convenes about the middle of the month, and usually remains in session for from ten to twelve days.

I would have given up this in writing before, but I had supposed that my inability to come prior to May would of itself make it impossible for me to come, and I had not thought that it would be practicable to have the Assembly so late. I trust that you will excuse me for my most kind thought, and assure you that I would be happy to come if practicable.

Very faithfully yours,

December 1st, 1909.

Miss Helen K. Wells,
166 Rodney Street,
Brooklyn, N.Y.

My dear Miss Wells:

I am sorry to have been so slow in answering your kind note of November 9th.

Of course, I shall be happy indeed to speak at the Presbyterian Society on the afternoon of March 23rd. You will let me know later, will you not, of the place of the meeting and the hour at which you wish me to speak?

With kind regards, I am

Very sincerely yours,

December 1st, 1909.

Dr. Thomas S. Evans,

Houston Hall,

University of Pennsylvania,

Philadelphia, PA.

My dear Tom:

As far as I can see now, I shall be able to come to the University
in January, April 1910, if that will be satisfactory. It is pretty far ahead,
and there is always a possibility of having to go off to the ends of the earth,
but I trust nothing may interfere with my being able to come over for that

My

Very kind regards to Mrs. You, I am

Ever your friend,

November 30th, 1900.

Mr. John E. Lovslan,

Orlando, N.J.

My dear John:

Will you kindly let me know the expense to which you were put in connection with the gas for the lantern the other evening? As far as any such little items are concerned, that was to be my contribution to the time lesson. It was only too good of you to give all the time and attention you did. I am afraid that very little could have been made of those slides had not been for your skill.

Ever your friend,

November 3rd, 1909.

Mr. Charles G. Trumbull,
1031 Walnut Street,
Philadelphia, PA.

My dear Charlie:

The copy of Billie's book which you have so kindly sent is just received. I shall go over it with great interest.

I look back with delight on my stay with you and Aline, and I hope Aline will forgive me for not having written yet to thank her for all her kind and thoughtful hospitality.

Ever affectionately yours,

December 1st, 1890.

Mr. J. S. Myers,

100 Fifth Avenue,

New York City.

My dear Mr. Myers:

I am sorry that I shall be out of the country on January 11th, and not able to attend the Annual Meeting of the Board of Managers of the Young Men's Christian Association. Will you kindly present my excuse?

Very truly yours,

December 1st, 1909.

The Rev. Herbert Ure,
756 West 4th Street
Williamsport, Pa.

My dear Mr. Ure:

Your kind note of November 22nd is received. I appreciate your cordial invitation to come over to tell your people about South America, and having seen the need of the South American nations I feel a special burden of responsibility to say whatever I can in support of the missionaries who are at work there. I am sorry to have to say, however, that I have already engagements for Sunday, Lay Day, and for all my Sundays up to the General Assembly, and the presbyteries and synodical convocations and Women's Boards Meetings in April will swallow up all the time that one can get away that month. If any of these appointments, however, take me over near Williamsport, I shall be glad to keep in mind your good invitation, and to be of any help that I can.

Very sincerely yours,

November 30th, 1909.

Principal Alfred E. Stearns,

Andover, Mass.

My dear Sir:

I am only writing this note on condition that you do not answer it, but will be that I am sending you a little book of my own on the Character of Christ, representing the results of work with a Bible Class of students some twenty years ago. I do not know that it will be of any help to you, but I think it may serve to give you some suggestions, and at any rate lead you to some good books.

Ever your friend,

Enclosure.

Bishop Henry W. Warren, D.D.,
University Park, Ohio.

Dear Bishop Warren,

Your note with reference to the book on Paul has been received, and I have pleasure in sending a copy herewith to the library of the Cliff School of Theology.

Mr. H. A. Gibson,

Dr. D. W. Labaree,

New Britain, Conn.

My dear Mr. Labaree,

It was a pleasure to get this morning your note of yesterday, and
I was glad to hear you were going to the States with Clara.
I had a fine trip, and should be glad to tell you about it but will send
you a copy of my report, which will tell you a great deal more than could
be said in a conversation.

As to the Tenthon Documents, I thought they are people of their
Institute American Bible Society. Some I know, they get from England, but
my special interest is in the American Bible Society and the Tenthon versions
also. I am sending your note to Dr. Fox, asking him to reply.

Mr. Chas. H. Cahill;

Colebrook, Coos Co., N. H.

My dear old Deacon,

I was delighted to get your last letter with the encouragement which you
 sent me and to see the confidence in my Deacon at home. My heart was all
 in reading your letter, and I was glad to see from you and also because it
 confirmed the assurance which nothing else could give me that you have not
 given up the fight but that you are certainly going to win the victory.
 I have read the letter over many times, and the other day just after reading
 it over, I saw your letter, a copy of which I am sorry to enclose. It was
 written to the Rev. Charles H. Cahill of Colebrook, N. H. and you know as "High
 Deacon", the name of the Deacon and the Deacon and those other friends
 of mine. Mr. Cahill sent me a copy of it and I have had it among my papers for
 a long time. I wish I had thought of sending you one before this. This war,
 you know, has had a harder fight of it than ever you have had and has been
 a grand old struggle, and yet the name of God has not been forgotten, as it is going
 to show you that it is not only going to be won like a war, but is helping
 others to reach their goal. That is what you are going to be doing also.
 You know the lines of the old hymn that run:-

"Be watch and fight and pray,
 The struggle n'er give o'er;
 Keep it holdly every day,
 All help divine implore."

That means that you are not to give up praying, and I really don't believe that
 you had given up. Perhaps you were not kneeling down and saying a formal
 prayer every night, but I know that many and many a time by night and by day
 your heart was rising to God and saying for his help. Don't let go of Him.
 Indeed, you can't let go, Deacon, because even if you relax your grip, He

December 10, 1901.

Mr. Chas. H. Carleton, Jr.

Will not relax his. I like these words in the New Testament which declare that even when we are faithful, God will be faithful, because He cannot be anything but Himself.

We are all well and happy at home, and hope that you were doing here and could be with us at Christmas-time. God bless you always. Write whenever you can, and don't forget that we all know that in spite of any fears or defeats, God is going to show forth his power in you and give you the victory.

With much love from us all,

Always your friend,

December 21st, 1909.

The Rev. Geo. G. Seward,
1001 West 14th Street,
Erie, Pa.

My dear Seward,

It was a real pleasure to hear from you in your letter of December 2nd. A military career sounds very bad, or perhaps one would better say, very well, because it is the scattering of the seed over the earth. I had not known of your military career and so tried to learn if your work in Erie, are you in the United Presbyterian Church or some other Presbyterian branch? I don't find your name in the minutes of our General Assembly, so that I judge the probability of your being in the United or the United Presbyterian Church. I don't know if you would let me know a little more about it, as I should like to help in that small way as I could in the situation that you describe.

Our little family is just like yours, except that we have one boy and two girls, whereas you have one girl and two boys. They are a perpetual blessing and joy, with all the natural anxieties and cares that inevitably come.

With best wishes for your continued progress to hear from you soon, I am,

Ever cordially yours,

Dr. Frederick Esterson,

20 West 30th St.,

New York City.

Since coming back from South America, I have seen Mrs. Snyder several times, and she has told me of "Israel" Snyder, and a few days ago I received a long letter from Mr. Snyder regarding his business, showing considerable anxiety. I think he is looking to me to counsel him and Mrs. Snyder as to what they should do, and that it would be well for me to see Mr. Snyder and Mrs. Snyder a few moments sometime to come to talk with you about the matter, so that I can advise Mr. Snyder wisely. Almost any time next week would be convenient for me to come.

Very cordially yours,

December 7th, 1909.

Mrs. John Meigs.

Forth, Pa.

My dear Mrs. John,

I enclose to send you my engagements for Scotland as far as they are now made out. The lectures for which I am going over are to be delivered in Edinburgh, in the Assembly Hall, on six successive Sunday evenings, beginning January 16th; in Glasgow, in Park Church, on six successive Tuesday afternoons, beginning January 18th; and in Aberdeen, in the United Free Church College Hall, on the afternoons of six successive Thursdays, beginning January 20th. Beside this, I have at present the following evening engagements for missionary class-meetings:-

January 17th Perth	February 10th Dundee
20th Strirling	11th Paisley
23rd Edinburgh	15th Glasgow
February 4th Aberdeen	18th Paisley
7th Glasgow	21st Aberdeen
10th Hamilton	24th Aberdeen

The Edinburgh lectures are at seven o'clock in the evening and the Glasgow and Aberdeen lectures at three in the afternoon.

With warm love to Professor and yourself from your and me,

Ever your friend,

December 7th, 1909.

Mr. Chas. D. Hilles,

Treasury Department,

Washington, D. C.

My dear Mr. Hilles,

I was delighted to receive this evening your note of yesterday and to read the letter from George Douglas, whom I remember from the talk we had some time ago when you decided it would be better for him to go to a school like Haverfield. It is a real encouragement to see developments like these in a boy. I hope that he may find a useful sphere of work and in some real way be able to fulfill his desire to serve Christ.

It was a great pleasure to see you in Washington, and I hope that when you are again here you will stop in if you can. If you are anywhere near here, I should be delighted if you could come and have lunch with me.

With ever warm regards,

Your sincere friend,

Mr. G. W. [unclear]

My dear Mr. [unclear],

I send you herewith the call for the week of prayer and copies sent out by the Evangelical Alliance. This is the British form of call. For the last few years the American Alliance has gotten up a different call, but I must say that I like the English one better. In any case, we are free to do what meets our own needs best.

Very cordially yours,

Washington, D.C.

the Reduction of Tariffs to Our Trade in the East, which appeared in the Washing-
ton Post on June 15th, 1936, was Mr. Tolson. I am sure that you would be glad to
be a proper inquiry, and if it is, should be grateful for the information request-
ed. It is requested that you will please advise me by return mail or by
any other means available in the event you have reviewed the article. The interest

Dear Mr. [Name]

My dear Sir,

Your letter of the 14th is at hand. I am delighted to know that you are so interested in the children and their welfare. I have been thinking of you very much lately and wondering how you are getting on. I don't believe you are doing too badly, but I don't believe you are doing too well either. I hope you will be able to get some of the things that I have mentioned to you. I am sure you will be able to do so. I am sure you will be able to do so.

I am expecting to have the first week of January to spend two months in England in connection with those missionary lectures and meetings in preparation for the next year.

I am sure you will be able to do so. I am sure you will be able to do so. I am sure you will be able to do so.

I enclose a copy of a letter which I have just received from [Name]. I am sure you will be able to do so.

My dear Dr. Young:

I am glad you have returned from your trip, and I should be glad to hear more and have some part in the success of the Festival. I am glad to hear you did not work in Hawaii and that you did not have any trouble. The Festival, however, will be held with a fresh story of experience in the past, and I hope you can get the enjoyment of the Festival again. It is now in the hands of the Festival Club, after a four month visit to Japan, Korea and North China.

London, W.C.

My dear Mr. Vincent

Your kind letter of Saturday is just received. I wish I could comply
with your cordial invitation, as I would surely do if I could, but I am unable to
do so at present, having the usual business of my committee which will
be in session till the 21st. I have suggested to my colleagues that I should
be the subject of a paper on the subject of the WILLIAMS DISSENT
COMMITTEE in June.

I shall send you some more of the same kind, as they are
very good and will be useful to you in all cases as well as, as will be ever at
your disposal. It will be a pleasure to see you again. I remember
of 20. I hope you have been to the same meeting since we, and may be there. The
meeting is very well attended, and the business is the same as last time. I
shall be glad to see you again, and will be glad to see you again, which would
be very much appreciated. I shall be glad to see you again, and will be glad to see you again, and

Dear Sir,
I regret I cannot answer your kind letter, for I am so busy with the work of the College, and with all the duties which come with the exception of the last few days, when I have to hold forth for my General Assembly. However, I shall be in Scotland, and March 6th I shall be landing in New York, or my return, which is also desirable for me, as our short note has mentioned. I am very sorry as I would gladly come up if there were a free day.

Dear Mr. Russell:

Your kind note of yesterday is just received. I am sorry it could not be possible for me to come up to help you. I am being abroad until the 15th, but will be back on the 17th and will be glad to see you. I have already sent you a number of illustrations for your book.

My dear Sir:

Your kind note of December 4th was received yesterday. I had not expected to see it until the 10th, as I had not had time to get my mail until yesterday. I am glad to hear that you are still in New York, and I trust you will find it very pleasant to be in the city again. I would suggest the Rev. J. B. Kaiser of the United Presbyterian Church, or Mr. Lloyd of Virginia, formerly of the Episcopal Board, or President of the Episcopal Seminary, or President of Hartford Seminary. I am inclined to think that the subject could be most advantageously handled by one of the above named persons, and I trust that your suggestion will be a desirable one.

My dear Dr. Vinson:

Your very kind letter of December 24th is just received. I do appreciate the cordiality of your invitation, and should be happy if it should prove possible for me to come here for the proposed conference next Spring. It is a little difficult for me to give an answer, as I have just come back from a six months absence in South America and will be abroad again within a few days to be gone until some time early in March. Just now suggested non-attendance for the time I get back I cannot promise, and this adds to a little hesitancy about making a definite engagement now which will require me to be away from the office, I suppose at least two days. I am truly anxious, however, to be of any service that I can to such an important project as this, and if you are to be here during the holidays I shall be very happy indeed to see you. I shall be at the District Teachers' Convention in Austin for at least part of the session, from December 12th to January 1st, and expect to call on January 5th.

Dear Sir,

My dear Dr. Branch,

Your very kind note of November 21st was duly received. I am, I trust, glad to hear the cordiality of your invitation and shall be glad to see it become possible. I would have been glad to give the Lyman Lecture Series, but I have all my Sundays occupied by the Sabbath School. I was in your city on Monday the 23rd of November, but I was unable to find time to call on you. I am sorry that I cannot do so now, but I shall be glad to do so when I next visit you. Whitehall, London.

My dear Mr. Justice:

I have had your letter of the 14th and am very pleased to hear that you are to be made a Knight of the Garter. I should like to see you in London for the period 1896 as well as the 19th. I should be glad to see you at the time of the meeting of the Council, which I am going to hold on the 15th. The next meeting is on the 22nd. My dear Dr. McPherson:

Your good note of Tuesday 14th, addressed to me at Lawrenceville, was received while I was there in connection with the business connected with the Seminary. It was a pleasure to hear from you and to hear of you that you were back in your own place and in so much better health.

It will be recalled to you that we have been at the Seminary, May 18th, and I think I can come, also, for Sunday, March 21st. I was invited to leave by your note, and on regarding the time of this date being Sunday and there is but a little amount of travelling about the 17th of March which will be sufficient to answer the purpose, and as I have still not intercourse with my family, as I expect that the weather is still, and I do not think that we have to leave till our return is sufficiently settled in mind. The weather is so that I have to be in Lawrenceville, and may be delayed some days. I hope that all my friends and family will be back in New York by the 17th, and will have to return to Lawrenceville the following week. As I think that I am sure to be back by the 17th, and will therefore, I will send you word at once.

The Rev. Mr. [Name] [Address]
Yale University,

My dear Mr. Stokes:

Your kind note, inviting Mrs. Spoor and me to be your guests over Sunday, was received yesterday, but I delayed answering until I could speak to Mrs. Spoor last evening. She would rejoice to come if she could, but feels that she ought not to leave the children over Sunday foot etc. I wish that she might have the pleasure of spending the day with you and Mrs. Stokes.

Some time ago I hope that she regretted the opportunity to meet Mr. Stokes.

I shall call on you on the 16th evening, after dinner, and shall try to get in before the very late train.

I would suggest, as possible topics for the morning, "Fight with God
Fight with all the light;" "Woe, of soul, stretch every nerve;" "My soul, be
on thy sword;" and "As I a soldier of the Cross, smiling the kisses about
"floury beads" and with words; and "While the sunbeams shone the Sun."

My dear Sir,
I received your letter of the 8th inst.

I have written to Miss F. about your letter part to the meeting
and she is waiting for your answer. I have, however, I
understand from your letter, that you are going to the meeting
and I shall be glad to see you there. I shall not have Mr. B. with
me, but you will see the list of names of the meeting. The first night
of the meeting will be on Monday, the 11th inst. There has not, as yet,
been time for any replies.

I had not expected this answer. I thought you were going to write
something regarding her. We ought certainly to have seen one or two on the
subject of America.

If you have not any other letters or communications directed to
me, you will let me know, will you not?

As I have to sail for Scotland on 13th inst., I shall not call on you
at the meeting, even should, but shall come down to see you on my way
back to London. I shall be glad to see you and to hear how you are getting
on.

I am, my dear Sir, very truly,
Your obedient servant,

Mr. Wm. G. Davis,
Boston, Ma.

Dear Mr. Davis:

Your letter of December 18th has been received. I remember very well my speaking with you the December of three years ago, and should regret to come back to you at the present time. I have been since that time, and to have part in the determination of the Church, but I do not think it will be possible to come for the three weeks in December, or perhaps for any shorter time. I am in the month of the Synod at this time, and I have always had a great deal to do about the Synod and my work. Last October I was out of the country, and the three years ago, I was out for the whole month of January, or the greater part of it, in the Northwest, the Southwest, and on the Pacific Coast.

I will be very glad to keep you posted, and to get news and learn about the various appointments, and to let you know that I can come. I have to be absent again in January, and shall not be in Council some time in March, but I will try to get home. I am sure that I shall know what to do to arrange to have someone else act for me in the office, or what would be the best way to do so.

Very respectfully,
Wm. G. Davis

Your very kind note of yesterday is just received. I should very much like to accept your invitation if I could, but October is the month when my business is so busy that it is necessary for me to attend as early as possible of this month. Last October I was out of the country, but the previous October I was in the Northwest for about the entire month, the October before that in the Southwest, and the October before that on the Pacific Coast, so that I think there is no likelihood of my being able to do so again this time as you mention.

My dear Mr. Johnson,

Your kind note of December 15th was duly received. I regretted very much the cordial invitation of Mr. Perkins and yourself, but I am constrained by my inability to be in Philadelphia on the evening of March 20th. I have to sail for Scotland on January 5th and shall not get back until sometime in March, and have already a number of appointments which must be discharged with the exception of one woman's presidential meeting which I cannot decline. My board of Missions meets, and these meetings will also be held in March and June, of course, a fact which upon our side. I think, however, that it will be clear for Mr. Perkins to arrange definitely for some other meeting with Mr. Hill for some weeks, possibly as I should expect it, if I were sure of being free.

Dear Mr. Barclay:

Your very kind note of the 22nd has been received in the same mail with a most cordial letter from Mr. Johnson, Mr. Stuber and Dr. Black. I wish I could accept your invitation and theirs, but you will see that the facts are from the enclosed letter. I have just written to Mr. Johnson. I got back from London at 11:00, as you know, only at the end of October, and will have had just two months here to clear things up before having to go out for two months more for a series of missionary lectures in South America, which I engaged to give before the South American trip was arranged, and for a series of meetings beside, in preparation for the "WORLD MISSIONARY CONFERENCE" in June. Dear Mr. ...

Your note of ^{Dec.} 15th has been duly received. I don't know what to do but to forward it directly to Mr. Cutler.

I have just had an experience at close hand of the problem that you have faced this year. The son of one of my most intimate friends was suspended from the university. The feeling of the parents, and I think the undergraduates, was that the punishment was far too severe. Perhaps they were right. I don't know. I only feel that that was a matter they should consider. There was no doubt that the boy had been in the wrong. The university would not have been called upon to inflict any discipline and would not have made the mistake of being too severe. People outside, who had no part in the matter and no responsibility for the boy, might be justified in finding fault with the university's action, but the boy himself and his family were only justified, as I told you, in thinking of the boy's disobedience and blameableness. It is just as always in our personal relations with God - we often think that we are punished beyond the deserts of our faults, but why do we have the faults? Our thoughts ought to be fixed entirely upon our own delinquency, not upon the supposed injustice of our judges, nor upon his actual injustice in the case of men. The judge would have no opportunity for injustice if we had not been guilty of offense.

Your good note of December 15th is at hand. I have not undertaken any engagements beyond next June and shall not be making any for the fall until I come back from vacation in Mass. The last Sunday of September and the first and second Sundays of October I have usually had tied up with the opening Sundays of some of our schools and colleges. For some years I have tried to go to the Hill School at Exeter on their opening Sunday and to Amherst on the second Sunday and then to get to Hotelrise as near the beginning of the year as possible, and the later Sundays in October, as you know, are usually swallowed up by the Synods. I shall keep your note, however, and if, when I come back in the Spring, I find that it is going to be possible to work in a Sunday at Leicester, I shall certainly rejoice to come.

I hope that you and Mrs. Mudge may have a happy Christmas and the best of New Years, and that your strength will prove steadily and that Mrs. Mudge may enjoy better health than she has shown for a long while.

Very affectionately yours,

In answer to the letter of November 29th has been received,
 and the same has caused some questionings of your mind and heart as
 to whether you should not leave your present work and go to
 the new place. I am sure you will be able to decide, and I am sure
 that there will be no other person who will
 be leaving. I find it very hard to understand the reasons for
 these other people's leaving, but my disposition would be to
 think that if you were with the other work, unless there were grounds
 for dissatisfaction and a feeling of dissatisfaction for leaving the old, irrespective of
 the actual cause of the dissatisfaction, still, what you say is true, that you are
 responsible for the situation here, and that if you are to make the change
 you must be able to do it. I cannot say. I can only say that if
 you decide to come, I shall be very glad to be of any help to you that I may.

The Rev. George L. Richmond,

My dear Mr. Richmond,

Your kind note of December 16th was duly received. I am a little fearful about making any definite appointments now for week-night evenings in the Spring after I get back from Edinburgh, not knowing yet what work may accumulate during my absence and what pressure there may be after returning in March. Our fiscal year closes March 31st, the annual meetings of our Women's Boards are held in April and of the presbyterial societies in March, and May is the month of the General Assembly. I must, of course, give these claims the precedence, but if, when I come back, I find it possible to arrange to come over for a Wednesday evening, I shall be happy to let you know.

Very cordially yours,

Dear Mr. [Name],

Your letter of the 12th has been received. I wish I could do more for you in this matter, but I am already abroad on January 1st, to be gone until the middle of the spring, and the uncertainty of engagements in the spring makes it difficult to say whether it will be possible to return to the States before you go. I can do nothing to confirm or increase the interest of friends in your work, and if I am to be here and free the third week in April, I shall try to do so, but I think the uncertainties are so great that I cannot say for certain. I think it is very desirable that you should get your work done as early as possible. After I get back to the States, I shall know more definitely just what I can do for you, but you ought to have your program, as I well understand,

My dear John,

Immediately on receiving your letter of December 28th with the enclosed letter to Arthur Spring I dictated a letter in reply, but was not entirely satisfied with it and after signing it threw it back in my letter basket, and have not been able to take it up again until to-day. For myself, I have the heartiest agreement with the views set forth in your letter. I have written again and again and again, setting forth these views to men over the mission field. There are a great many men there who share them. But thus a new educational enterprise is started on the mission field, I have set these principles before the men who have started it, but almost invariably they are carried on in spite of themselves, or, on careful and deliberate thought, adopt principles which lead them on to such developments as Arthur Spring's in Abiskind. When that work began I urged on him and the others the desirability of having a small institution and making it completely and dominantly Christian, and of being content to do a maximum work on a few. I quoted, as I have often done, the example of S. R. Brown of Japan, who took a little company of men, very much in the fashion of our Lord's training of the Twelve, in the early years of mission work in Japan, and put his whole mind and spirit into those men, with the result that he left his impress indelibly upon the church in Japan, which is left to-day, in large part, by the men whom he trained. But our men who are in educational work will argue that they could influence five hundred men just as well as five, which is a mistake; that by having the larger number they have a better field for selection of the choicest on whom to lay out special work; that after all, no man can tell who is going to develop among those whom he influences, and that he will do best

I have delayed answering your letter of January 19, 1951, and I apologize for this. I have been busy with other matters and I have not had time to give you the information and judgment.

As soon as possible after receiving from South America, the information in October, I conferred with Mrs. Tolson, and as soon as possible after that with Mr. Tolson, and then with Mr. Tolson. She was on her way to Washington for a short visit at Mrs. Tolson's. I am sure that she will be very much interested in the work which is being done at the school in Katonah. I hope that she will be able to see a great deal of the work which is being done there and that she will be very much interested in it. As you have known, she has been going for some time to the public school in Katonah, doing excellent work and showing considerable interest in it.

She is sure to tell that she has enjoyed her visit to Katonah and that she has been very much interested in the work which is being done there. Dr. D. A. Hunter,

Lovedale, South Africa.

My dear Mr. Hunter,

I returned from South America, where I spent six months this year, on October 27th, and found among the mail that had been held out for me your good letter of June 8th, acknowledged by Dr. Dalton, who was caring for my correspondence. It was a great pleasure to hear from you, and I only wish that sometime I might have the opportunity of seeing as much of Africa as these six months made it possible to see of South America. I shall be sending you a copy of my report as soon as I get my copies from the printer.

It is good to know that in the not distant future there is a possibility of your coming over to the United States. I hope that by all means you will come. It will be a great joy to see you here and Mrs. Hunter and the children also, if you will bring them. We shall be glad to do anything we can to make your stay pleasant and to help you to see whatever you would like to visit.

I am very much obliged for the cards of your people which you sent. I shall certainly try to meet some of them while in Scotland. A pretty full schedule has been prepared, however, calling not only for the six lectures to be delivered on six Sunday evenings in Edinburgh and six Tuesday afternoons in Glasgow and six Thursday afternoons in Aberdeen, but also for meetings on the intervening days in the interest of the World Missionary Conference in June. One of the intermediate meetings I notice is set for Stirling, and I shall hope to meet your brother and sister there.

With warm regards from Mrs. Speer and myself,

Your sincere friend,

Dictated Dec. 28th.

Dec. 31st, 1936.

Dr. Brownell Gage,

Changsha, Hunan, China.

My dear Mr. Gage,

I was in South America all of this last year, spending six months there and getting back only the last week of October. I have just barely had time to clear things up here and am going off again to-night to the Student Union Convention, and on returning expect to sail for Scotland to spend January and February there in connection with some preparatory features and various meetings preparatory to the World Missionary Conference in June, at which I intend to speak in behalf of the Yale Mission. It will be a privilege to see so much of Scotland and the Scotch people. I am going with some friends as to just how they will receive an American point of view in the matter of missionary principles and policy.

I spent Sunday a week ago at Yale and had a very good day, although it was the last Sunday of the term and a number of men, of course, had gone. There will be a week of special meetings in February, closing with Dr. Holt's Sunday. Things are in good condition, and it is a great thing to see a man like Henry Wright in the heart of the university life.

I had a number of talks with Mr. Beach and Mr. Stokes, especially with reference to the proposed Oxford and Cambridge schools, involving a university in Moscow, and Mr. Stokes told me of the circumstances as to the removal of the Yale Medical School from Shanghai to Hankow and the grounds on which the directors at Hankow thought it would be inexpedient to take this transfer.

I did not see Mr. Salmon and Judge he must have been away. I have not had any glimpse of him since he came back from Japan. The removal of his brother-in-law, Mr. Davison, from England, makes it a little less likely that our pushes should cross.

Dec. 31st, 1909.

Mr. [Name] Sage-Page 2.

Thank you very much for arranging that I should have a copy of the report. Every thing that relates to the college is of interest to me and I want to keep in touch with it and with you and all your work.

I shall send you a copy of my report on South America. Some of the things were different from those in China, and yet morally they certainly are the same, and I doubt whether there is the intellectual promise that there is in China. Indeed, I have said a number of times that I believed that China could get along better without Christianity than South American without Protestantism, which simply means that the living truth is indispensable to all men.

I wish you could drop down in Rochester to-morrow for the four or five days of the convention. It will not be so large a meeting as the one at Nashville, because there is no hall that will hold so many people, but it will be representative of a larger number of institutions.

With kind regards to yourself and Dr. Sage and your associates, I am,

Your sincere friend,

Mr. Howard Richards, Jr.,

My dear Mr. Richards,

I thank you heartily for your card of Christmas remembrance and for the interesting pictures of the Radical Son. How do the Chinese like such tracts as this one? I should think they would be most effective with them. Do you find that such a tract as this which you send does appeal to them and influence them?

I got back just two months ago from a six months trip to South America, and shall be sending you in a little while a copy of my report to the board. It was a great pleasure to make the trip and it was a great revelation of many things. The continent is now as rich as any part of America, I believe, and its population is less than that of England, which in area, I think, is only one-third the size of Venezuela alone; but the intellectual and moral needs are awful. In the United States the proportion of illiteracy is 10%. In South America it ranges from 50% to 80%. The Argentine is the most progressive country, and the illiteracy of the Argentine is only 20% of the population, which is only one-third the size of the United States with a population of nearly seven million. The State of New York has about the same population, with a large proportion of immigrants, and here the proportion of illiteracy is only 7%, while we have 40,000 teachers and 1,400,000 pupils in the schools, three times the teachers and three times the pupils in the Argentine. The countries nearest the United States in South America are the darkest and most backward of all. In Venezuela there are only between thirty and forty thousand students in the schools, with a population of over two million. Brazil, the conditions are just as dark as one would expect them to be where the intellectual darkness is so deep. I have tried to set forth the conditions in the report, and came back from South America with the conviction that China could better dispense with Christianity than South America could do without education.

Mr. Howard Richards, Jr. - Page 1.

I spent Sunday before last at Yale and had a good time. I had been there last Sunday of the term and had seen had begun a new era. There was a very religious spirit there, and a man like Henry Dwight is to be seen in the work.

I hope that you have been well since returning and that all the work is going forward encouragingly.

With ever warm regard,

Your friend,

Dr. Edgar T. Shields,

Yanow,

Szechuan Province, China.

My dear Dr. Shields,

It was a great pleasure to receive a few days ago your letter of October 18th. I had heard of the death of Dr. Loftis. It is impossible to understand such losses, as we view them, unless we think of them as gains to the cause of Christ. Oftentimes, I suppose, there come emergencies in the great work that is being done beyond our sight and men are needed for it who are here and who have to be taken from there. Only a week ago one of the most remarkable young men in the land was taken away in just this fashion, leaving two little children, one six years old, the other only a week old. She was a woman of brilliant mind and the highest social position and the truest and most intelligent Christian life, and was being so well-flavored and opportunities to go to the States or Europe and young women from the churches neglected not because they are poor, but because they are rich. My sister would have been taken, it is impossible to understand if we think only of the facts on this side. We can imagine, however, the reasons if we think of the possibilities upon the other side, where it may be some great crisis in the progress of the Kingdom hung upon the service which she and she alone could give and for which, according to God, whose love is too great to let his children be served by our ignorance, loss here.

I am glad if you found any interest in the lives of those young men. I wish you would write of Dr. Loftis in the same way. The paper in which these sketches first appeared is always anxious for anything of that kind and almost any missionary magazine would rejoice to have the opportunity of a young man such a character and such a career as you describe. Let me believe, I might add that the publication in which I first printed these papers is "The Herald", and the editor is the Rev. J. A. Miller, D.D., with a room building, Philadelphia. It is a

Dr. W. L. Green,
Pasadena, Cal.

My dear Mr. Green,

Your good letter of December 31st came a fortnight ago, and yesterday I saw the most beautiful Japanese calendar which you sent and with which Mrs. Egan was delighted when I took it home in the evening. It was lovely of you to remember me and I do appreciate all the privileges of the blessed friendship for you and Mrs. Green three years ago.

I hoped to send you before this a copy of the report on South America, but it has been delayed by the printer and will not be ready until about the middle of next month, but a copy will be sent to you as soon as any are received.

I am going up tonight to the Board of Education, which begins tomorrow afternoon, but must leave before the convention ends, in order to get ready to sail next Wednesday for Scotland to fill the engagements which I made there before I knew that it would be necessary to go to South America this year. I am going over for a series of six or seven lectures, to be delivered in Glasgow, Edinburgh, and London, on successive Sundays, Tuesdays and Wednesdays. This will keep me over there six weeks, and the days between the lectures are to be filled with business in preparation for the Conference in June. I hope to get back to New York the first week in March.

Mr. Kennedy's gift has been a source of great regret to him. He gave away all that the laws of the State of New York allowed him to give to charitable and educational objects. It will be some time before the report comes to us, however.

With reference to South America, let me say that I never for one moment
 question the advisability of work there, but I only put the issue in that inter-
 estory form in order to be able to ... more definitely and unflinchingly,

Mr. Kenneth Buchanan, 200 Princess Street, Edinburgh, would be one of
 the best men I know of to ask to make hotel reservations for you. As soon as you
 receive a definite answer from him, I think it would be well to have him
 take care of your affairs. If you decide within the next month or two,
 I shall be ... and could be glad to put the matter in the right

Dear Mr. [Name]

I have been thinking about you, I wish I could see you and talk to you about the things that have happened to you, and I am sure that a change in your life is what you need it all of this. I will be there for you from the bottom of my heart and I will be there for you in every way that I can. I will be there for you in every way that I can. I will be there for you in every way that I can. I will be there for you in every way that I can.

What kind of work are you doing, but it will not come a right way, if it doesn't give us a change of you. I hope that you and your family are well, and that all the work that you are doing is well.

I am writing you from a little town in the city of [City Name] in the [State Name]. I hope you are doing well and that you are happy.

I will be there for you in every way that I can. I will be there for you in every way that I can. I will be there for you in every way that I can. I will be there for you in every way that I can.

Mrs. E.A. Little,

Diamond Pond,

Colerbrook, N.H.

My dear Mrs. Little:

Mr. Stone has sent me your good letter of November 21st to him, telling of your great loss in the death of Mr. Little. Mrs. Spear and I were deeply sorry to learn of your great sorrow, and can imagine how different and lonely the home is without the one who has been with you in it these many years. We shall always remember Mr. Little with the deepest regard and affection, and rejoice to have known him and to have seen, these many years, that beautiful white head and fine old face, and to have had him for a friend.

I wish that some of us might have been with you, and that especially Mr. Stone could have been near at hand. But I know that you know that that we sympathize with you and have been with you and are still with you now in the loneliness of the winter.

We all missed very much our failure to see you last summer, and I don't know what the coming summer will bring. I have to go over to Scotland this week and be gone until March, and shall probably have to go back again in June.

I wish I could come up to tell you about the trip to South America, but some time in the future I can do that. Meanwhile, I am sending you, herewith, a little rope basket from the city of Barranquilla in the Republic of Colombia.

Mrs. Spear and the children and I send our love to you and to all the family, and with best wishes for the New Year, I am

My dear Mr. Wood:

I do thank you heartily for your kind card of Dec. 21st. I wish I were going to have some time for visiting, but I fear that there will not be any, as there seem to be lectures all round about to fill all the days that I hope to be on your side. I expect to sail on Wednesday on the "Umbria," and to go straight to Edinburgh, and then probably come back from Glasgow on the "Aniopolonia," sailing Helmsdale Wharf, which will not be in England at all except on landing. I wish I could do otherwise, but I must get through just as soon as possible and get back to home and work here.

With ever warm regards, and best wishes for the New Year, I am

You will have thought me very rude not to have given any heed to the kind invitation in your note of December 29th, that I should stay at dinner after the reception, but I had been careless about getting myself to the Hotel, not anticipating any and did not expect to be there. I had to come away as soon as possible, in any case, in view of another engagement in the evening.

It was very good of you to think of having that is the reception, and I did thoroughly enjoy it.

Dear Mr. Kennedy,
London, W.C.
14th Dec. 1941

It was lovely, this morning, to receive your letter of Dec. 10th. I am sorry that you have had to be sitting for a while still, but that Mrs. Holmes is not better, as we last heard the week before last, I shall be thinking of you both with warm love while home, and shall be anxious to see you at the first opportunity after my return. I expect to be in London after tea-time and so to come on the 15th.

I had a very busy day today. I had to go to the office, the library to get a great deal of work done, and to the bank to see Mr. G. H. G. The Rev. Anson Phelps Stokes, Jr.,

New Haven, CONN.

My dear Mr. Stokes:

In accord with your kind note of December 18th and our conversation at New Haven, I shall be glad to hold Sunday, March 13th, for a second visit to Yale. I don't think that anything will interfere with my coming, but if I find that I shall be delayed on the other side, I will send you word as long in advance as possible.

The Rev. S.J. McPherson, D.D.,
Lawrenceville, N.J.

My dear Dr. McPherson:

Since writing about the possibility of my coming to Lawrenceville for March 15th, as well as for May 15th, Mr. Stokes has written from Yale urging me not to give up the March 15th date for New Haven. I had supposed that the possible uncertainty as to my return might lead them to wish to plan definitely for the day, but Mr. Stokes says that it will be all right to leave the day open, with the understanding that I can cable the week beforehand if I find it impossible to come. I would much rather go to Lawrenceville. I enjoy it far more. But I suppose that one ought to go to Yale to the larger student body, so that with your consent, perhaps I had better hold March 15th for Yale and come to Lawrenceville this year for May 15th.

With warm regards to all, I am

Very faithfully yours,

Mr. Wayne C. Jordan,
Queen's College,
Oxford, ENGLAND.

My dear Mr. Jordan:

Your kind invitation of January 2nd to Mr. Speer has come during his absence in Scotland, where he is delivering the Duff Missionary Lectures, as you know. He sailed on January 5th from America, and although I cannot tell you definitely just where you could reach him now, a letter addressed to him in care of Kenneth MacLennan, Esq., 100 Princes Street, Edinburgh, Scotland, will reach him promptly. I believe he has received a previous invitation from your college, and had to decline it owing to the many other engagements which were made for him. I may be in error, however, and he will be able to tell you if you will communicate with him at the above address.

Very cordially yours,

My dear Mr. Fincke:

Your note of January 13th, addressed to Mr. Speer, in which you ask him to make mention of the Conference which you are planning in his work among college men, has come during his absence. The Rev. D.A. Marshall,
The Moody Bible Institute,
Chicago, Ill.

My dear Mr. Marshall:

In Mr. Spear's absence in Scotland, where he is delivering the anti-missionary lectures, your letter of January 15th has been handed to me. Mr. Spear is not expecting to return to America until some time in March, at which time he will write you definitely as to whether he could come to Chicago for a week some time between July 1st and August 15th. I fear, however, that it will be impossible for him to do so, in view of the fact that he will just have returned from the Edinburgh Conference at that time, and will be tied pretty closely to the offices.

He will write you positively about this, however, when he gets back.

Very cordially yours,

Acting Secretary.

Mr. Speer is at present in Scotland, delivering the Duff Missionary Lectures, and will not return until some time in March. In June, however, the World Missionary Conference is to be held in Edinburgh, and Mr. Speer will be having to go abroad again for that, so that he won't be in America at the time of your Conference and will be unable to carry out your suggestion.

Mr. Franklin B. Dow,
5 Grosvenor Park,
New York City.

Dear Mr. Dow:

On Saturday your letter of January 8th, addressed to Mr. Spear, was received. Mr. Spear is now in Scotland, delivering a course of missionary lectures there, and is not expecting to return until some time in March. Therefore, that it will be impossible for him to render the service requested, on March 1st. I know that he would be glad to help if it were all practicable.

I have wondered whether the printed report of Mr. Spear's address on "How to Speak Effectively Without Notes," delivered before the students of the National Bible Institute a year or more ago would be of any help to you. It was published in "The Bible To-day," and Mr. Wm. O. Shelton, the editor, would supply you with copies of it, I am sure. I am sure the students of the National Training School would find it very helpful in this form.

Very cordially yours,

My dear Lord Gascoyne-Cecil:

Your letter of January 6th has reached Mr. Speer's office during his absence in Scotland, where he is delivering a series of missionary lectures and attending meetings in preparation for the WORLD MISSIONARY CONFERENCE to be held in June. He is not expecting to return until some time in March, when your letter will be brought to his attention. I am sure he will be glad to have this added light on the situation at Chungking. It has occurred to me that you might wish to communicate with Mr. Speer while he is in Great Britain, where he will be until the latter part of February. You could address him in care of Kenneth Maclean, Esq., 10 Princes Street, Edinburgh, Scotland.

 New York City.

My dear Mr. Warren:

Your bill for \$1.00, addressed to Mr. Spear, covering annual dues for 1910 to the New York Association of the Alumni of Phillips Academy, has been received in Mr. Spear's absence in Scotland, where he is delivering a series of missionary lectures. We shall hold it here until his return, - the 6th of March - at which time it will be brought to his immediate attention.

Very sincerely yours,

James A. Merrill

Secretary to Mr. Spear.

The first part of the document is a list of names and addresses. The names are written in a cursive hand, and the addresses are in a more formal, printed style. The list includes several entries, each with a name and a corresponding address. The text is somewhat faded and difficult to read in some places.

Very truly yours,

My Dear Mr. Linn:

In reply to your note of February 11th I would say that we do not regret Mr. Sperry's engagement, or that I regret or regretted the possibility of his being able to accept your invitation for May 15th. It is very important that you should know definitely about this. I am sorry that your invitation to him is cancelled, if you will let me know in a few days. Do hesitate to trouble him with any other matters while he is gone. I shall be glad to see you if you wish so, I shall be glad to see you if you wish so.

sent from the printer, but we are expecting it within a few days. The

will outside orders, but if it be, we shall be glad to have your name
put on the list.

Mr. Spear is in Scotland at present, where he is expected to remain until early March, so that he cannot answer immediately your note of the 14th. The Rev. Daniel Hoffman Martin, D.D.,

My dear Dr. Martin:

Your kind invitation to Mr. Speer reached his office this morning in his absence in Scotland, where he is delivering a series of missionary lectures. He is expecting to reach New York on March 6th. I fear, therefore, that it will be impossible for him to comply with your request, although I know he would have been glad to be of any service within his power, if he were to be in this country at the time of the proposed Laymen's Convention at Glens Falls.

Rev. Wilbur F. Tillett, D.D.,
Vanderbilt University,
Nashville, TENN.

My dear Sir:

I received your note of February 14th this morning. It is our custom, when Mr. Speer is away, to hold all invitations to him until his return, and we decline to trouble him with any office matters while he is gone in view of the many calls upon his time. Occasionally, however, when the request is made, we do send invitations on to him, but as he expects to sail from Liverpool on February 26th it would be too late for your request to reach him before sailing. We shall have to hold it here until his return, accordingly. I will mark it "important" and he will answer it just as soon as he gets an opportunity to dictate.

Very sincerely yours,

Acting Secretary.

Rev. Alexander Mann,

My dear Mr. Mann:

I am very sorry to have to say that the last mail which will reach Mr. Spear before he sails from Liverpool on February 26th was sent yesterday morning. No mail sent now will reach him before his departure from England. I shall have to hold your invitation here, accordingly, and shall ask Mr. Spear to give it his immediate attention. He will let you know with reference to it as soon as possible after he gets back.

Mr. Percy E. Wilmot,
Crosser Theological Seminary,
Chester, Pa.

My dear Mr. Wilmot:

Your kind invitation of the 15th, addressed to Mr. Spear, has been received in his absence in Scotland, where he is delivering a series of missionary lectures. He is not expected to return until March 4th. I might say in his absence, however, that on the date of your meeting, May 29th, Mr. Spear will undoubtedly be on his way to Edinburgh, where he is expecting to attend the World Missionary Conference to be held there in June. I fear, therefore, that it will be impossible for him to be of any service to you.

I hope that it may be possible for you to secure some other good speaker in his place.

Very cordially yours,

Acting Secretary

Professor John Leigs,
The Hill School,
Pottstown, Pa.

My dear Professor Leigs:

Mr. Speer is not expecting to reach New York until March 6th. In his absence, I beg to acknowledge the receipt of your note of yesterday, in which you ask him to hold March 13th for a visit to the Hill School. I am sorry to have to say that Mr. Speer has already engaged to give an address to the Yale students on that Sunday, so that it will be impracticable for him to do as you suggest.

I shall hold your note here and bring it to his attention immediately upon his return, in order that he may see what you have written with reference to the March 20th date.

I hope that you may be able to provide satisfactorily for the 13th.

Very cordially yours,

Secretary to Mr. Speer.

Mr. J. S. Turner

105 West 10th St.,

My dear Turner,

It is of the utmost importance that all that is said and printed should be absolutely accurate, and I should be glad, if possible, to have your copy of the Harpator address if you can let me see it before printing or other use of it in any way. It is now in the hands of the printer and I have not had time to see it so far. I should be glad to have the chance of seeing it before it is printed.

With kind regards to Mr. Turner and yourself,

Very sincerely yours,

George W. Powell Company,

New York City.

For you to see as soon as possible a copy of a book or pamphlet
entitled "The Witness of God's Word" by Rev. E. J. Taylor,
and also "The Daily Lessons, and the questions and answers
which go with them" by the same author. It is a very
valuable book and should be read by all.

I got the delightful news that you were successful in your efforts and called letters from the bank. I hope you are well. The first half of the year's work was very much done. I am sure you are well. I will be working hard, but did not want the first day in the office to pass without a note from you. I am sure you are well.

Mr. Frank M. Boyd,

Missionary Training Institute,

Hyack, N. Y.

My dear Mr. Boyd,

I have just returned to New York and write at once in reply to your kind note of February 2nd. I have had the pleasure of speaking at the Friday night meetings in Hyack in the past and should be happy to come up sometime this winter or spring, but just at present I have my engagement book overfull and must not undertake anything more. Sometime later if it becomes possible, I shall be glad to come.

Very cordially yours,

March 10th, 1910.

The Rev. Willis L. Gelston,
1319 Walnut St.,
Philadelphia, Pa.

My dear Mr. Gelston,

I have just returned to New York and write at once in reply to your kind letter of January 27th. Everything is indefinite with me in the matter of summer appointments. There is a possibility that I may stay over in Scotland after the World Missionary Conference in June, and until that matter is decided I cannot say anything about the possibility of engagements on this side. I shall be glad to keep your letter and if I find that I shall be here and, being here, I can arrange to get to either of the conferences, I shall let you know. I am a little afraid that even if I am here, I shall either be tied down to the office by the absence of others, or shall be away myself, trying to write up some of the material that has been promised for delivery within the next twelve months, which includes three books and more articles than it is comfortable to think about at once; but if I am here and I can possibly arrange it, I will come to help you in the conferences or in any other way that I can.

With best wishes, I am,

Very cordially yours,

March 10th, 1910.

Mrs. Gilbert McIntosh,

Foley House,

West Kilbride, Scotland.

My dear Mrs. McIntosh,

I got back to New York safely this week and find your note of February 25th, with Mr. McIntosh's manuscript. I shall be glad to go over it and to see what can be done to secure its publication.

I am sorry that I could not get to see you while in Scotland, but I hope that you and the children are well.

With kind regards, I am,

Very sincerely yours,

March 10th, 1910.

The Rev. William J. Wilkinson,

Pottstown, Pa.

My dear Mr. Wilkinson,

I have just returned to New York and write at once to say that I expect to be at The Hill Sunday, March 20th, and shall be glad to speak in the church that evening, if there is nothing at The Hill to conflict. I shall leave it, accordingly, to you and Professor, and shall be only too happy to see the many friends in the church and speak to them and be of such service as I can to you.

Very cordially yours,

March 10th, 1910.

Professor John Mairs,
Pottstown, Pa.

My dear Professor,

I landed on Monday, after a voyage half-stormy, half-calm, and am happily at home and at work again. I find in the correspondence your good note of February 27th. I wish I had had March 15th free, so that I could have at once made the change, but it is impossible to readjust the Yale appointment now, so that in accordance with your note to Miss Foerth, I shall look forward to coming over for the 20th.

I had a very pleasant and very busy six weeks in Scotland. I had a nice note from Dwight, telling me of the blessing that has come to Mr. and Mrs. Bowman and inviting me down to visit him and Mrs. Dwight, but I was not able to get down to either Cambridge or Oxford.

Please don't acknowledge this. I shall turn up sometime in the evening of the 19th.

I have a note from Mr. Wilkinson, asking me to speak at the church some Sunday evening and on telling him that I shall be glad to do so on the evening of the 20th, if there is nothing to conflict.

Very sincerely yours,

March 10th, 1910.

Miss Lillie R. Potter,
Auburndale, Mass.

My dear Miss Potter,

I have just returned to New York and write at once in reply to your kind note of January 14th. I am sorry that it will not be possible to get to Isbell Seminary this school year, but I have been out of the country so much that my arrangements have become very much complicated for the time that I am here, and I don't see any way of working in a visit to Auburndale.

With good wishes for the best success of the school, I am,

Very sincerely yours,

March 10th, 1910.

Principal B. J. Waller, Jr.
Bloomsburg, Pa.

My dear Mr. Waller,

I have just returned from abroad and write at once in reply to your kind note of January 27th. I know very well of the school and of your relationship to it, and have often talked about you and it with Mr. Hand. I should be happy to come over for the commencement if I were to be in the country and free at the time, but I have to be in Scotland in June at the World Missionary Conference and fear that I shall not be back until July at the earliest.

Very cordially yours,

March 10th, 1910.

Miss Ethel Hunter,
National Y. W. C. A.,
Orgaun,
Bombay, India.

My dear Miss Hunter,

On returning from Scotland this week I found your kind note of January 8th waiting. I wish I could have the pleasure of attending the Quadrennial Conference at Calcutta this coming winter, but I have no expectation of being in India this year or next, much as I should like to go out, both to visit our own Missions and to attend the conference on work for Moslems.

I had a delightful visit in your home at Kilbarohan, while in Scotland. I went out with your father and he brought me back in the afternoon in the motor. It was a most happy experience, and to crown it your brother was good enough to come down to the train to say good-bye to me when I was leaving Glasgow for home.

With best wishes for your work, I am,

Very cordially yours,

March 10th, 1910.

The Rev. J. A. Huffman,
Bethel Publishing Co.,
Dayton, O.

My dear Mr. Huffman,

I have just returned from abroad and find your kind letter of December 8th, which was not received until after I left on January 5th. It has come too late to enable me to be of any help to you in the preparation of the new calendar, but even if I had been here I doubt whether with all the other work already undertaken I could have given the help desired, as I should have been happy to do. I trust the calendar may prove very serviceable.

Very sincerely yours,

March 10th, 1910.

Mr. J. A. Hudson,

501 South 45th St.,

Philadelphia, Pa.

My dear Mr. Hudson,

Your kind note of February 12th was received some days ago and would have been answered earlier, but I have been abroad and just returned this week. As far as I can now see, I could speak to your young people on Saturday evening, April 16th, as I have to spend the following day in Philadelphia. I shall be glad to hold this evening, if this would be satisfactory, although I think it might be better if you would defer making any definite arrangements until the last week in March, if you can do so, and will communicate with me again then, when I can let you know definitely whether it will be possible to come.

Very cordially yours,

March 10th, 1910.

Miss Elizabeth C. Winn,

Merion, Pa.

My dear Miss Winn,

I have just returned from Scotland and write at once in reply to your kind note of January 13th. I am sorry that it will not be possible for me to attend the meeting of the Medical Missionary Society on April 28th, as I have to speak in Cincinnati on the evening of the 27th and cannot get back until Thursday night and must be in New York Friday morning. I remember very well speaking at a meeting of the Society at the beginning of its history. I think it must have been the second or third year, at the home of Mrs. Baird.

Very cordially yours,

March 10th, 1910,

Professor B. G. Vawter,

Blacksburg, Va.

My dear Professor Vawter,

I returned to America this week and write at the first opportunity in reply to your kind letter of February 7th. As Dr. Fulton wrote in acknowledging the letter, I expect to be in Scotland during the month of June, attending the World's Missionary Conference, so that it will not be possible for me to have the pleasure, which I should rejoice to have if I could, of speaking at the Commencement of the Institute.

With cordial recollections of the days at Knoxville long ago, I am,

Very sincerely yours,

March 10th, 1910.

Mr. Wm. F. Hoar,

337 1/2 West 55th St.,

New York City.

My dear Mr. Hoar,

I write at the earliest moment on returning to New York in reply to your kind letter of February 10th. I am sorry that it will not be possible for me to be of any help in connection with the proposed meetings the first week in May, as I have other engagements for the first days of the week and then must go to Chicago for the National Missionary Conference of the Laymen's Missionary Movement. I am sorry that I shall not be free to give the help that I should be glad to give if I could.

Very sincerely yours,

March 10th, 1910.

Mr. George M. Fowles,
150 Fifth Avenue,
New York City.

My dear Mr. Fowles,

I have just returned to New York and write at once in reply to your kind note of February 15th. I wish I could accept your invitation, but I shall either be abroad at the time of the institute or be in this country away from New York, trying to redeem pledges which have been made for literary work. I am very sorry, as I should have been glad to accept your invitation if I were free.

Very sincerely yours,

March 10th, 1910.

The Rev. C. R. Watson, D.D.,

200 North 15th St.,

Philadelphia, Pa.

My dear Watson,

I enclose herewith a copy of my reply to Mr. Douglas' kind invitation.

I hope that you are well, and with every warm regard, I am,

Faithfully yours,

March 10th, 1910.

The Rev. A. C. Douglas,
Des Moines, Ia.

My dear Mr. Douglas,

I have just returned to New York and write at once in reply to your kind letter of February 18th. I am sorry that it will not be possible for me to attend the convention in Topeka on August 5th. I remember attending the convention held in Saratoga some years ago and should be happy to come this year if I were free; but I shall either be abroad or so engaged here as to be unable to get to Kansas at the time of the convention.

Thanking you heartily for your kind invitation, I am,

Very sincerely yours,

March 10th, 1910.

The Rev. N. L. MacPhail,
2 Waverbeck St.,
Boston, Mass.

My dear Mr. MacPhail,

I have just returned from abroad and write at once to reply to your kind letter of January 17th. I remember very well attending some years ago one of these annual dinners of the Presbyterians of Boston. It was a very delightful occasion and I should be glad to come this year, if it were at all possible, but I have my engagement book already filled for this spring and overfilled, when I look at the other work that has to be done. I am very sorry, as I should be happy to accept your invitation if I were free.

Very cordially yours,

March 10th, 1910.

Miss Mary A. Rolfe,
State University of Iowa,
Iowa City, Ia.

My dear Miss Rolfe,

Your very kind note of February 10th was received and acknowledged while I was in Scotland. I wish I could accept your invitation, but I cannot have any hope of being able to be in Iowa next fall. I have no present arrangements there at that time and could not take the time that would be necessary to go out from New York for the purpose of this special meeting. I am sorry to have to write thus as I should be glad to promise to come if I saw any prospect of being able to reach Iowa.

Very sincerely yours,

March 10th, 1910.

Mr. Delevan L. Pierson,
44 East 23rd St.,
New York City.

My dear Del,

I got back to New York on Monday and am once more spending the hours talking into a letter basket. The letter on top of the pile at this moment is your beautiful ultramarine of February 18th. I appreciate the generous enclosure in your letter of February 8th and thank you for the extra copies of the magazine containing the article.

With reference to the Rochester address on South America, you are quite welcome to it if Turner is willing, provided you will let me look over it again before you print it. I want to make sure that everything is absolutely correct, so that when the criticism comes I can stand by what I have said without budging. I have a great number of photographs which Mr. Cook, who was with me, took, and should be glad to have you use any of them if you wish, if he consents, as I am sure that he will.

Very affectionately yours,

March 10th, 1910.

Mr. Arthur McMurtrie,

c/o U. S. Banking Co.,

Mexico City, Mexico.

My dear Arthur,

I have just returned from Scotland, where I have been since the first of the year, and only received on Monday night when I reached home your good letter of February 10th from Neosho. I heard from Aunt Clara before I left that you were going to Neosho, but had not known that you were going on to Mexico. I am glad to learn from your letter and also from your postal-card to Elliott that you had done so. I can imagine what an interesting visit you have been having, for I have been in Mexico City several times. You will have met by this time the missionaries, to whom I should have written about your coming if I had been at home. I hope you liked the Memorial Church at Coyoacan.

I shall be glad to do anything that I can to help Mr. Hess, but am so far away from the conditions in Washington and Oregon that I don't know what openings there may be there or whether any particular opening there is a good one or not. I am writing, though, to the Rev. W. S. Holt, D.D., of Portland, Ore., who knows those two states better than any other man and whose business it is to see that the work of the Presbyterian Church out there is as well provided for as possible. He will know whether there is any opening that it would be well for Mr. Hess to consider, and I shall ask him to write directly to Mr. Hess.

I take it for granted that you have met Mr. Wallace and Mr. Vanderbilt. Mr. Wallace has charge of the school in Coyoacan and Mr. Vanderbilt of the press. Mr. Vanderbilt's city office is Apartado 305, Mexico City.

We had quite an interesting time coming across the Atlantic, meeting one rough day a Russian steamship which was in a sinking condition and from

I was glad to get a letter this morning from Uncle Stewart and to know that he and Aunt Clara are well. I trust that you may have a fine visit and may enjoy your stay in Mexico.

With much love from us all,

Your nephew,

President F. K. Hoggman,
Winfield, Kansas.

My dear President Hoggman,

I have just returned from abroad and write at once in reply to your kind letter of December 30th. I am sorry that it will not be possible for me to attend the quarter-centennial celebration at the commencement this spring, but we have our annual conference with our newly-appointed missionaries the last week in May and I shall be sailing immediately thereafter for Edinburgh to attend the World's Missionary Conference. I am sorry that I am not to be here and free to accept your most kind invitation.

Very cordially yours,

March 10th, 1910.

Prof. Wilbur F. Tillett, D.D.,
Vanderbilt University,
Nashville, Tenn.

My dear Dr. Tillett,

I have just returned from Scotland and write at once in reply to your most kind letter of February 9th. I appreciate highly the honor of the appointment to the Coe Lectureship, of which I have long known, and my only hesitation as to accepting springs from the question of my ability to do such work in connection with the lectureship as would alone justify its acceptance, in view of the other obligations which have been already assumed. I have, however, done the main work on some lectures dealing with the great problems and phases of missionary work in connection with some great typical personalities: for example, the question of the ascetic ideal, represented by George Bowen, of the educational ideal, represented by Alexander Duff, the statesman-crusader ideal represented by Chinese Gordon, the evangelist-crusader ideal represented by Raymond Bull, etc. If a course like this would be satisfactory, I should be glad to accept at once, with the purpose of turning the whole matter over carefully in mind to see whether the course suggested would be the best channel for my message, or some other, in case there were time for the adequate development of some other course. It may be, however, that you would prefer that some line quite distinct from the missionary line should be presented. If I may be free to take that line as indicated, however, in case I cannot find time for working out some of the other trains of thought which I have not worked through so fully as yet, I should be glad to accept.

March 10th, 1910.

Prof. Wilbur F. Tillitt, D.D. - Sec 2.

With sincere appreciation of your cordial letter, I am,
Very faithfully yours,

Dictated March 9th.

Mrs. B. S. Conway, Jr.,

4425 Larchwood Ave.,

Philadelphia, Pa.

My dear Mrs. Conway,

I got back from Scotland on Monday and write at the first opportunity in reply to your very kind letter of February 8th. I should be happy to come over for the Presbyterial meeting if I were to have the time, but my engagement book is already overfilled and I dare not put in anything more. If I were free, I would say "Yes" at once.

With kind regards, I am,

Very cordially yours,

Dictated March 9th.

March 10th, 1910.

The Rev. Alexander Mann, D.D.,
Trinity Church,
Boston, Mass.

My dear Mr. Mann,

I was back at my desk for the first time to-day and write at once in reply to your kind letters with regard to the Students' Service in Trinity Church on May 8th. I should be happy to come if I were free, but I already have engagements for that Sunday at Amherst and Smith Colleges.

Thanking you heartily for your kind invitation, I am,

Very faithfully yours,

Disturbed March 9th.

March 10th, 1910.

Mrs. Jennie Peterson,
46 Walnut St.,
Lockport, N. Y.

My dear Mrs. Peterson,

Your very kind note of January 24th I found awaiting my return to New York on Monday. I write at once to say how sorry I am that it will not be possible for me to come to the meeting at Albion on April 7th or 8th. I have already engagements which will prevent my coming to the Presbyterian Meeting at that time. I should be glad to come if I were free.

Very cordially yours,

March 10th, 1910.

Mrs. Frederick Z. Stockwell,

84 Grand St.,

Newburg, N. Y.

My dear Mrs. Stockwell,

I find that all day April 20th and 21st are to be filled with committee meetings. On the 20th, the Central Committee of all the American and Canadian missionary boards, with the Executive Committee of the Laymen's Missionary Movement, and the 21st with a meeting of the Executive Committee of the World Missionary Conference. I am sorry, accordingly, that it will not be possible for me to come to the North River Presbyterian Meeting either of those days, as I should have been glad to do if free.

Very cordially yours,

March 10th, 1910.

The Rev. Eugene Hill,
Garfield, N. J.

My dear Mr. Hill,

Your kind note of March 7th is just received. Judge Lowe very cordially invited me sometime ago to speak at one of the meetings of the Pastors Association, and I told him that I should be glad to do so, but it was not practicable just at that time for us to find a day that was mutually convenient. I am sorry to have to say now that April 18th will not be possible for me either, as I have engagements on Sunday that will take me away from the city and have a meeting of our Board on the afternoon of that day.

I have been out of the country for the last two months and things have got very much congested, so that there are practically no free days left for new appointments.

Very cordially yours,

Mr. Wm. B. Stewart,

Wilmington, N.C.

Dear Mr. Stewart:

I have just received your letter of the 14th inst. in relation to the matter of the purchase of the land for the proposed canal. I have been thinking of this matter for some time and the only way I can see to get it done is to have the land purchased by the Government. Miss Elizabeth L. Ely,
Greenwich, Conn.

My dear Miss Ely,

It was a pleasure to receive this morning your note of March 9th. I wish I could come up some Sunday, but I have every Sunday engaged until summertime and none of these engagements are in the neighborhood of Greenwich or I should be glad to try to come to the school for the afternoon.

Very cordially yours,

March 14th, 1910.

Miss Carrie L. Cushier,
308 West 22nd St.,
New York City.

My dear Miss Cushier,

I am sorry to have to say that I shall have to be out of the city on Tuesday afternoon, March 22nd. It may be possible for me to make some other arrangement which will allow me to be here, but it is very uncertain and I shall not know till the end of the week whether this can be done. I think it would be better if you would try to get the Rev. George U. Lexington, who was born in Brazil and who has kept in close touch with the work there and who has a brother and sister now in Brazil, to come. He is pastor of a church in Staten Island, where his address is 43 Madison Avenue, Tompkinsville, N. Y. If he is unable to come and I find that I can avoid being away as I now fear I shall be, I will, of course, be happy to come.

Very sincerely yours,

March 14th, 1910.

The Rev. A. McLean, D.D.,

Box 864,

Cincinnati, O.

My dear Dr. McLean,

Your very kind note of March 11th is just received. I should be glad to speak at your annual convention in Topeka next October, but I have already an invitation to speak at the Centennial of the American Board the same date, and as I shall have to be here in the East at that time as far as I can now see, I fear it will not be possible for me to have the pleasure of going to Topeka. If sometime in the future I could be of any service to you, I should be most happy.

With kind regards, I remain,

Very faithfully yours,

March 14th, 1910.

Mr. Kenneth MacLennan,
100 Princes St.,
Edinburgh, Scotland.

My dear Mr. MacLennan,

I reached home safely last Monday, after a restful voyage. The first half was very rough, but the last half was most peaceful. We got in a day late, having been delayed partly by the rough weather and partly by our stopping for an afternoon to take off the crew of a sinking Russian steanship.

On returning to my office I found your letter of February 26th, which I am sending to Mott, although I presume you have already said all that is necessary in your letter to him. I shall be glad to confer with him as soon as there is an opportunity, but write meanwhile to say that I think there is no prospect of my being able to come over in May. I have been here only two months out of the last ten, and if I am to do my work efficiently must really take some time to get it in hand. Our own General Assembly meets in May, and while I hope it may not be necessary for me to attend this year, the attendance of others will tie me to the office if I don't have to go to the Assembly myself. I should be glad to come if I could. The work in Scotland make it seem very homelike and the many friendships I made would add a special pleasure to the privilege of speaking at the Assemblies. I hope that the new missionary interest which is awakening throughout the country may steadily increase, as I am sure it will, and yield an abundant fruitage.

Please give my kindest regards to all in the office and to Mrs. MacLennan.

Your sincere friend,

March 14th, 1910.

The Rev. S. N. Haynes,
Kingston, Pa.

My dear Mr. Haynes,

I appreciate your cordial invitation to come up to speak at Kingston, and I should be glad to do so if I were free, but every Sunday is filled until sundown and the week days are overfilled also from now until June. I shall be glad to lay your letter aside, however, and if I find, in making up the schedule next fall and winter that it is possible to plan for a visit to Kingston, I shall let you know. It is discouraging, however, to see how little time there is and how many interruptions there are. The last ten months, for example, I have been only two months in the United States, and I don't know how next year will be broken up. I hope that you will not put off until next year having some missionary speaker from without, and would suggest your getting some one of the best men now at home from the mission field. Dr. Halsey's office could furnish you with a list of available men if you would like to have it.

Very sincerely yours,

Dictated March 12th,

March 14th, 1910.

The Rev. Henry Hallam Twedy,
668 West Divinity Hall,
New Haven, Conn.

My dear Mr. Twedy,

It was a great pleasure to get your note of March 8th. I remember the old days very well, and know, of course, also of your new work in connection with the Divinity School.

I shall be very glad to take one of the Monday afternoon hours of which you write. It would have to be either the second or fourth Monday of next month, as our Board meets on the first and third Mondays, and it would be convenient for me to have it some Monday afternoon when I was either in New Haven or would be passing through on my way back to New York.

Very cordially yours,

Dictated March 15th.

March 14th, 1916.

Mr. Thomas Wood,

4 Gleason St.,

Dorchester, Mass.

Dear Mr. Wood,

Your kind letter of March 4th is received. I am sorry that it will not be possible for me to help in the annual meetings, as I should be glad to do if I could, but I expect to be in Scotland during the month of June in connection with the World Missionary Conference to be held at that time in Edinburgh.

Very faithfully yours,

Dictated March 13th.

March 14th, 1910.

Mr. H. S. Clarkson,

11 Buhl Block,

Detroit, Mich.

Dear Mr. Clarkson,

Your kind note of March 9th has been duly received. I wish I could accept your invitation on behalf of the Brotherhood of the Westminster Church, but I have my engagement book already full and cannot hope to get to Detroit any time this spring. If it were possible, I would be happy to come.

Very sincerely yours,

Dictated March 13th.

March 14th, 1910.

Mr. E. S. McMurtrie,

Hotel Royal Palm,

Miami, Biscayne Bay, Fla.

My dear Uncle Stewart,

I returned from Scotland on Monday last, having had a very interesting experience. I am glad to get back to warm houses again, however, especially to a warm bathroom in the morning. It may be healthful and heroic to take one's morning bath in the coolness of out-of-doors, but it isn't comfortable. I had a very rough voyage going over, and half of the way was very rough coming back, but the last half was as smooth and pleasant as could be.

With reference to the "St. Nicholas" and the "Youth's Companion", I asked Eva and the children and find out that the "St. Nicholas" has not come. Regarding the "Youth's Companion", I am not sure, because someone else subscribed for it for Elliott also, but he wrote to the paper asking them to transfer this subscription to a missionary boy in South America. Elliott is receiving one copy and I don't know which one this is, but I am writing to the "Youth's Companion" to inquire.

I hope that you and Aunt Clara are having a good time, and hope that I may be able to get out to Monticello sometime this spring to see you all.

With much love from all of us,

Your nephew,

March 14th, 1910.

The Rev. James M. Martin,

69 Auburn St.,

Paterson, N. J.

Dear Mr. Martin,

Your kind note of March 11th is just received and I am sorry it will not be possible for me to help in the proposed conference on April 11th. I hope, however, that it may lead all those who attend to a more simple-hearted practical acceptance of the New Testament teaching regarding our Lord's coming. I should enjoy being present, but my engagement book is already overfilled.

Very cordially yours,

Dictated March 12th.

March 14th, 1910.

Mr. Donald Mackay,

55 Wall Street,

New York City.

My dear Mr. Mackay,

I thank you heartily for your kind note of welcome home, and also for the invitation to address the graduating class of nurses at the Home, Presbyterian Hospital, on the evening of May 18th. I shall be very glad indeed to do this.

With warm regards, I am,

Very sincerely yours,

Dictated March 14th.

Mr. H. Heebner,

1854 Frankford Ave.,

Philadelphia, Pa.

Dear Mr. Heebner,

Your kind note of March 6th has been received. I am sorry it will not be possible for me to help in the 25th Anniversary of the founding of the Kensington Association, but I have my schedule entirely filled for the month of April and cannot take on any more appointments. I should be glad to come if I could, having a very warm interest in the Kensington Association.

Very sincerely yours,

Dictated March 12th.

March 14th, 1910.

The Rev. Thomas Spurgeon,
Paignton, South Devon,
England.

My dear Mr. Spurgeon,

Your kind note of February 22nd has been forwarded to me from Scotland, as I had left Edinburgh before it was received. I am sorry that it will not be possible to accept your cordial invitation, but I do not expect to return to Great Britain until June, just in time for the Conference in Edinburgh.

Regretting that it will not be possible to have the pleasure of attending the missionary conference of the Pastors' College Evangelical Association, I am,

Very sincerely yours,

Dictated March 14th.

March 14th, 1910.

Mr. Arthur McBride,
Huntingdon, Pa.

My Dear Uncle Arthur,

I wrote you just the other day to Mexico City, having returned from Scotland on Monday last. I suppose the letter will come back from there in due time. I am glad you were able to get down and to see the church at Coyocacan and to meet some of the missionaries.

With regard to Mr. Hean, as I told you I would do in the letter which I wrote you in Mexico, I have written to Dr. Holt, of Portland, Oregon, who knows the condition of the churches in Oregon and Washington better than anyone else, and have asked him if there is any opening out there to communicate directly with Mr. Hean. I quoted to him what you wrote about Mr. Hean.

I am sorry you had trouble with the altitude and trust you are getting a good rest now. I hope to stop off in Huntingdon some day in Spring for a few hours at least.

With much love to all,

Your nephew,

March 14th, 1910.

Mr. Frederick S. Duncan,

73 Nassau St.,

New York City.

My dear Fred,

I shall be proud to represent the Andover Association at the Exeter dinner on April 5th. If however now and then you find among your papers any prepared brief for just such an occasion, I wish you would let me look it over.

Very cordially yours,

Dictated March 12th.

March 14th, 1910.

Miss Margaretta D. Purves,

501 Witherspoon Building,

Philadelphia, Pa.

My dear Miss Purves,

Your kind note of yesterday is just received. How would "The Condition and Claims of South America" do for a title for the address in Cincinnati?

With reference to the collection, I have consulted Mrs. Wood and would suggest either the work in Curitiba, where Miss Deacon, Miss Kuhl and Mr. Livingston are, or the work in Barraquilla, where the Lees and Miss Scott and Miss Quincy are working. There is both educational and evangelistic work in both of these stations.

With kind regards, I remain,

Very cordially yours,

Dictated March 12th.

Mr. S. Edgar Price,
188 Fifth Ave.,
New York City.

My dear Mr. Price,

I return herewith the copies of the contracts. I am sorry to hear that the "Alice Jackson Memorial" has not gone off better. The arrangement with regard to it is quite satisfactory. I think you will come out all right on it.

Thank you very much for the copy of Mr. Meyer's little book. Please don't fail to have the bill for it sent up to me.

I have not been able to get at the galley of the new book yet. There is a very narrow margin for any corrections, and I fear I shall have to make these on slips and paste them on the side of the galley.

Very cordially yours,

Dictated March 14th.

March 14th, 1910.

Mr. Charles Evers,

605 Belgrade Street,

Philadelphia, Pa.

My dear Mr. Evers:

I thank you for your kind note of March 10th, which is just received. I wish I could accept your cordial invitation for one of the meetings on the Fortieth Anniversary of the Beacon Church, but my engagement book is already filled.

I am asking Dr. Halsey, who keeps the list of our missionaries who are at home on furlough and who are available for such service as this, if he will kindly write you, suggesting the name of the best missionary who will be available at that time.

Please let us know whenever we can be of any service to you.

Very sincerely yours,

Dear Sirs:-

Refer to the billings by you, Elliott Spear, sent you his subscription for the month's Connection for the year 1910. Subsequently, his uncle, Mr. H. S. McArthur, of Dominador, Pa., removed through an agent named Carey the subscription which he had been paying for Elliott. Knowing that he was doing this, he also made, sending the balance required, and requesting you to send one of the two copies of the paper subscribed for for him to Master William Y. Lee, care of the rev. Walter Scott Lee, Macramentilla, Colombia, South America. Elliott is receiving the copy. Will you kindly let me know whether a copy is being sent regularly to William Lee?

Yours very truly,

March 15th, 1910.

Mr. L. E. Palmer,
105 East 32nd St.,
New York City.

Dear Sir:-

I returned from Scotland a few days ago and found your letter of January 1910, which had been acknowledged in my absence. I should be glad to write the article in question, but have already promised more work than I can do. I would suggest your asking the Rev. James H. Dennis, D.D. to write on the subject mentioned. He has written the standard book on these aspects of Scottish history and has abundant material at hand for such an article. His address is 305 17th, Montclair, N. J. I think he will be glad to write it, and if he is unable to do so, I would suggest the Rev. E. W. Capen, one of the members of the American Board of Commissioners for Foreign Missions. Mr. Capen has just been around the world visiting missions, and has devoted himself to the study of missions and the propagation of missionary interest.

Very truly yours,

Dear Mrs. Beebe,

I shall be very glad to take the Thursday half-hour service (at 12.30 is it not?) on March 24th. I did not hear until last week, on returning from abroad, of Miss Doherty's death. I sincerely share your sorrow in this great loss.

Very cordially yours,

Mr. A. J. Elliott,

276 Greenwood Ave.,

Kankakee, Ill.

My dear Dad,

I returned from Scotland last week, where I have been for the last two months, and received the day I returned your note. The Rochester address has not been published yet. I have just received the final proofs and returned them to Turner for the report of the Committee. I think that Mr. Pierson is expecting to print the address in "The Miscellaneous Review", and I presume that will be the quickest way to get it. I have written a very full report on my visit which I have submitted to the board, but it has not yet been published for general circulation and it may be felt that some things in it are too strong to make it wise to circulate it promiscuously.

I am glad to know of your interest in South America. The need is great and the laborers are few.

With kind regards to Mrs. Elliott, I am,

Ever your friend,

General Charles Bird,
1205 Delaware Ave.,
Wilmington, Del.

Dear General Bird,

Your kind note of March 12th is just received. I wish I could come down for the Layton's Missionary Supper on either one of the occasions you suggest, but I have my engagements here already overfilled. I am sorry, for I should have been glad to be of service if I could, but I have been away from New York for eight out of the last ten months, and have only a little time here now before having to go off in June to the World Missionary Conference in Edinburgh. I would suggest your trying to get the Rev. G. A. R. Janvier, D.D., of 1469 South Broad Street, Philadelphia, Pa. Dr. Janvier is Chairman of the Yorktown Mission Committee of the Synod of Pennsylvania, and used to be out in India. We have no better or more living missionary worker.

With kind regards, I remain,

Very sincerely yours,

March 15th, 1910.

Mr. W.R. Moody,
East Northfield, Mass.

My dear Will:

I got back from Scotland last week and found your note of February with awaiting me. I don't know what I shall be able to do this summer in the way of Conference work. If the whole family goes to Scotland to the Edinburgh Conference, we shall stay until fall, and I shall not be able to get to any of the Conferences at all. If, on the other hand, I go alone, I shall be back early in July, and it may be possible to come to the Young Women's Conference. I shall keep the matter in mind, and shall let you know if I find that I can come.

Very affectionately yours,

March 15th, 1910.

Rev. Henry B. Master,
First Presbyterian Church,
Fort Wayne, Indiana.

My dear Mr. Master:

I returned from Scotland last week, and received your good note of February 19th. It is too early yet to make definite appointments for next Fall or Winter or Spring, and I do not know as yet what the main outlines of the year's work will be. The experience of the last few years have taught us to be prepared for unanticipated changes. Some time this Spring, however, I shall hope to be able to block out tentatively next year's work, and shall let you know then in case I find that it will be possible to spend a Sunday at Fort Wayne.

Rejoicing in all that your Church is doing, and trusting that it may go on from these achievements to ever greater ones, I am

Very sincerely yours,

President John Willis Baer,
Occidental College,
Los Angeles, Cal.

My dear John:

I got back from Scotland last week, and write as early as possible in reply to your kind note of February 25th.

I wish I could accept Professor Biddle's invitation. I would be glad to give those lectures in the University and at Occidental, but I see no likelihood of my being able to get the time next Fall or Winter, and have written regretfully to this effect to Professor Biddle.

Your sincere friend,

March 15th, 1910.

The Rev. Walter L. Whallon,
Altoona, PA.

Dear Mr. Whallon:

Your kind note of February 27th was received and acknowledged while I was away from New York.

There is no place that I enjoy going to as much as back to the old Presbytery, and I shall be glad to come to the Evangelistic Conference whenever I am invited and am able to accept. I am very uncertain, though, as to the possibilities for this coming September. Everything depends on how we arrange our force for the Summer and Fall, and as to whether I have to be abroad again. It is all so uncertain that I think you ought to eliminate me in planning for the Conference, and then, if later I find that it is possible for me to come, there might be some corner in the program left where I could be put in.

I trust that Dr. Adam and Dr. Work may both be able to accept the Committee's invitation.

Very cordially yours,

March 15th, 1910.

Professor H.C. Middle,
University of California,
Berkeley, Cal.

My dear Professor Middle:

Your very kind letter of February 14th was received and acknowledged during my absence from the country. I thank you heartily for your kind invitation to come to the Coast some time next Fall or Winter for the Lectures in the Colleges and Universities. I wish I might be able to do so. If I could imagine that I could get away from my work here for the purpose, I would gladly come for no remuneration at all if the traveling expenses could be provided, but I see no prospect of being able to get out to the Coast either this year or next.

I remember with great pleasure brief visits to the institutions you mention several years ago, and shall be glad to come back again whenever it is practicable.

Very cordially yours,

March 15th, 1910.

Mr. Charles C. Trumbull,
4105 Locust Street,
Philadelphia, PA.

My dear Charlie:

Your good note of welcome home has been received, and I am very grateful for it and for being back again near all the blessed friendships. Distance does not interrupt them, but it is very much more comfortable to have the distance eliminated.

While Aline is over here, can't you come over and bring her with you to Englewood for a little visit? Max and the children and I would be delighted if you could. We should feel a little more secure of your life then, if you could escape for a while from the conditions in Philadelphia.

With warm love, I am

Mr. W. A. Rorer,

105 West 70th St.,

New York City.

My dear Sir,

I have been thinking much of late about the various ways in which the public mind is being educated and I am sure that you are one of the best of those who are doing this work.

In the first place, in the United States, there is a general feeling of sympathy for the cause of the oppressed.

In the second place, in the United States, there is a general feeling of sympathy for the cause of the oppressed. In the third place, in the United States, there is a general feeling of sympathy for the cause of the oppressed.

In the fourth place, in the United States, there is a general feeling of sympathy for the cause of the oppressed. In the fifth place, in the United States, there is a general feeling of sympathy for the cause of the oppressed.

In the sixth place, in the United States, there is a general feeling of sympathy for the cause of the oppressed. In the seventh place, in the United States, there is a general feeling of sympathy for the cause of the oppressed.

In the eighth place, in the United States, there is a general feeling of sympathy for the cause of the oppressed. In the ninth place, in the United States, there is a general feeling of sympathy for the cause of the oppressed.

Very cordially yours,

Mr. J. A. Miller,
 Brownfield, Connecticut,
 Ansonia, England.

Dear Mr. Miller,

I have very much pleasure in sending you the incident and the poem for which you asked me in the "Editorial".

The incident was as follows. Thomas was a boy from the street of his native city, Philip de Leri, one of the great Italian immigrants of the 18th century, was coming toward his end of his career. He would up and down as he came in his life. The old man seemed to be a man who had lived for the sake of his neighbors. The boy recalled that he had been graduated from the university of the city and that these two poems of which were now at an end. "Yes," said the old man, "and what next?" "No," the boy replied, "no one to study you in the office of the Institute of the city, and that is not what to study his career and then." "Yes," said the old man, "and what next?" "No," the boy said, "no intended to be a great inventor and a great man and would be great wealth." "Yes," said the old man, "and what next?" "No," said the boy, "no would fulfill his life in great honor." "And after this is all over, what next?" asked the old man. The boy turned his head and called an elderly man across the street, thinking over that new question.

The bit of poetry was by George Arnold, a young American poet who died some years ago. It was entitled "The Loss of Life", and was as follows:-

Mr. J. A. Sadler

I have had my will,
Tasted every pleasure;
I have drunk my fill
Of the purple measure.
Life has lost its zest,
Tomorrow is my guest-
Oh! the lees are bitter, bitter;
Give me rest.

My days filled with
Sorrow and with
Made my very soul
Tremble with anxious fears.
And I drank it dry.
Love has passed me by-
Oh! the lees are bitter, bitter;
Let me die.

I was glad to hear the pleasure of meeting you on the "Statesman"
and trust that you are having success in your business in America and that
you will here and in your own land be as successful as a Christian man.

Very cordially yours,

My dear Will,

I enclose herewith the copies of the letters you and John Miller, which must seem to read. There are different terminations in the English religion and even in the same mental emotion of it, but there is only one God and one Spirit, and wherever this unity exists the different points can be made good for; only our knowledge will always begin when our vocabulary claims a higher place than the one God and the one Spirit, or when any man's vocabulary becomes a substitute for the regularity of divine aliveness that is the way of the central unity.

Yours affectionately yours,

Walter Dill

The air is full of such stories and rumors, and I am sure that you are very anxious to see that, however much, with a population only about as large as that of Japan, and so near in contact with the great and powerful nations of the world. I really think it is very disappointing that this and many other things, on the other hand, there is a great deal of interest in the situation and the views of the people. And the fact is that the war is not so far away as it seems to be. I don't see how we can really believe that we shall be able to deal with it alone at the return of our own people.

I have already undertaken to edit up my *Register* until something. I have
been very busy the last few months and it has taken me some time to

Dear Sir,

I am very sorry to hear of the loss of the
first half of the year, but it was inevitable. The amount
of the loss was, however, not as large as it might have been by the
exercise of a little more care. I was glad to hear you were well
and hope you will enjoy the rest of the year. I have been very busy
with the work of the office and have not had time to write you

The Rev. J. Herbert Johnson, Esq.

38 Wellington Place,

Wellington, New Zealand.

My dear Mr. Johnson,

Your letter of the 12th of February 1911, with the accompanying copy of your address to the Secretary of the Trustees was received & I am glad to hear you have written for the latter and the prospects. Mrs. Speer has kindly examined all the pamphlets containing the papers, each which we have both been desirous. The subject is not directly told in his interest, and was anxious to have the subject in order as to this to give the question relating to superintending in his capacity. There are several to introduce some of the ideas that our former students, but one of our best authorities on the subject to have previously with the fact they feel to be a great want need under the system in this regard.

There is a great deal of conversation with us, however, and a natural desire to progress the improvement of the organization, but we have felt that the matter is still at the same time that we must have a stability and consistency of policy that is best to be maintained. The introduction of our Trusteeship system of financial administration is a long.

I do think you are more than competent to be named as the General Secretary. It would be a great pleasure to accept of it, if it were possible, but the Secretary must be a person of high and in financial matters. I am sure you are familiar with our new financial statements, and I would not be able to say the Secretary until these meetings are over. I think that the idea of financial administration may look only a fresh starting point.

Dear Mr. Johnson,

I received your letter of the 7th inst. and was glad to hear from you. I am sorry to hear that you will not be able to come to the office this summer. I have no special money matters, and further thinking about me at the time has shown that you are not likely to be able to catch up.

I think Mr. Clark is right; the one or two weeks and not so much interrupted by other people, and you will have the time to do some of the things that you are interested in. I think you should try of the physical sciences, or mathematics or astronomy, and would you be willing to take up the study of educational work in an institute which would be organized to hold the summer session? I think it doubtful if all their thinking and writing.

vast teaching, for the advantage of the course and the distribution of
 the income, I think you will agree the course will greatly increase its
 interest. But it needs to be remembered that the time teaching can
 about as much be done as usually is done in schools, for it is not possible,
 in living play where a year goes through the air at another one running,
 to attain as high a quality as what is required. It is a
 question, however, whether the difficulties of a few more a subject teacher
 will be not less than the difficulties of a few more a subject teacher
 and the advantages of the former, are at least as great as the latter.

I returned from [Location] last week and was delighted to get your letter of March 5th. Shortly afterwards I saw Miss Delano and had time for just a word with her about you. I am glad that the winter has had the sunshine and the cloud in it, and trust that as the months go by the clouds may flee more and more, or that at any rate, even if they seem to gather again, the faith that pierces them and that sees back of them will be strong enough to see the sun again.

I hope to be back in New York now for the next three months, with only short absences of a day or two at a time, and whenever you are down near the offices I hope you will not fail to drop in.

I returned from abroad last week and found your letter of February 21st with its enclosures. I can imagine who the friend is of whom you write, so think it was the friend of her misgivings, but as I recollect, in our conversation she said in this rather the younger boys and not those older men who already knew all that you were saying, except that they did not have the sense of deliverance and freedom. As I have told you, I think there is a great danger in such men as yours, not only that their curiosity should be aroused and they made kneeling where it is far better, if possible, that they should say their prayers, but also and ever more because they are so easily satisfied with a message of your experiences; and while, of course, your message is kept living insofar as you are kept by a daily experience of the deliverance power of Christ. Nevertheless, I think they yet in a way will feel the necessity of going on to the end of the road. By now they will have seen the need to do the work of washing themselves with a commitment to righteousness which will always need to be done.

The general feeling you would have heard about your work has been in line with the conventional or the old ideas which you profess, and have related in the annals of which I have heard in a way which is not. At the same time I have heard that you had the deepest interest in the work of criticism of points of detail, where the actual location of evil has been mentioned by boys, but the actual case of a steamer which was a part of marriage had been broken, and the man was then a prisoner to the world.

all of the audience. I have never heard of or read of a man, except a few words that I heard you say of Northfield House at the University of Pennsylvania, so that I am not in a position to form an opinion except at second hand as to your message and Mr. Lippard's. I think you cannot be careful enough about, first of all, as to the ^{of us} words, where ~~it is~~ dealing with moral and spiritual things needs to be scrupulous and watchful: second, about details, which, while they often seem essential in order to drive things home and provoke the imagination, ought not to be introduced needlessly: and third, about any excess dwelling upon the evil life, which, of course, as to the work with which we deal need not be dwelt upon; and fourth, about any obscuring by the glamour of the workman's experience of the glory of Him by whom and for whom the work is done. We had a good talk at the very beginning of your work on this point. It is where every man needs to be on his guard and the more diligent, perhaps, in proportion as his work is successful. There seems to be a certain amount of self-advertisement to which a man must assent if he is going to do certain work nowadays, although I have never been able to assent to it myself and prefer not to do the work if such exploitation is essential to it. A many of others who are doing that work, in accordance with what appears to be the unavoidable conditions of the time. These conditions are all of them, however. I only marvel that you have been able to do as well as I think you have done from the most insidious and destructive quarters.

I have written with the same deep interest and friendship as I have felt from the beginning, and I have not a shadow of doubt as to the value of the work as you are doing it. I am sure that it will be of great value to the world. I am sure that it will be of great value to the world. I am sure that it will be of great value to the world.

Dear Dr. Bailey,

Your kind note of March 1st was received and acknowledged and I was still in doubt as to how to proceed, as it regards the title. I shall be glad to be of what help I can at the Convention in Washington. I would like a title as this do for my address- "The Call of our Nearest Neighbors"

Dr. Sheed of Persia has send me a copy of the paper which he wrote at your request, and has asked me to suggest to you the name of someone to read it; but I presume you will already have arranged this, knowing what facilities are available for such service.

Senor Alvaro Reis, Moderator of the Convention, is in Brazil, in sailing to-day, I think, for Rio de Janeiro, and is in time for the convention and to attend the Northern and Southern assemblies and some other meetings. What day will you start him in Washington? Because the two Assemblies meet at the same time with the Eastern in Cleveland and it will be necessary to arrange his schedule so that he can attend all of them. It is not possible that with him, you will not be able to do so.

Your kind note of January 8th I found waiting last week
in Scotland. If I am able, I shall be glad to
visit you. It will depend on whether I have to be in
Scotland at that time. I am hoping that this may not be the
case, but if it is not and I can get to Andover, you see it will
be no trouble to get to Wellesley for the evening meeting, as there is a
train to Andover and usually a student's meeting there.

I shall be glad to try to hold next year's meeting

My dear Mr. Marshall,

I returned from Scotland last week and write at the first opportunity in reply to your letter of January 15th. I wish I could here to be on the same course, but all my plans for the summer are those which I have made for Scotland for the months of July and August. If I do not return here, I cannot say now just how our office arrangements will be changed, and I may be tied down to the office by the absence of others, or may be obliged myself to finish up several books that I have promised within the next few months. I shall be glad to keep your letter at hand, and when I have time to write about the summer and if I find that I can come, I shall let you know. But if you don't hear within a few months you will understand that it will be impossible for me to come to help, as I should be glad to.

Dear Dr. Brachmann,

I received your kind note of January 3rd awaiting me. I am still very uncertain as to my plans for the summer. I have to go back to Scotland for the month of June and may have to stay over there during July. If not, whether I should be free to come out to Huntington for the summer school would depend on whether I could do so at that season and had others with me in the office. I shall not know for a few weeks yet as to just what I can plan for. If I find that I can come, I shall let you know. If you do not hear from me, you will know it is because I shall be away and unable to accept your invitation. If it is possible for me to accept, I shall, both because I am always glad to get to Huntington and also because it will be a pleasure to accept any invitation from you.

I was very glad to get the other day your note of February 5th, and
 to see in "The Missionary Review" the January number and shall
 look forward to receiving from Mr. Weston the "Harvard Review" for last
 year and the article on the Alevi movement. I have been away from
 home almost all the last ten months, six months in South America and
 four months in Scotland, and only returned last week. The South American
 experience was intensely interesting, but most depressing. It is so much
 worse to see pagan superstition and immorality covered over by Christian
 names and phraseology than to see it in its own garb. If there is one
 part of the world that mortally needs the cleansing, freeing power of the
 Gospel it is South America; and the problem there is no unlike the prob-
 lem in Mohammedanism, where it is not ignorance of Christianity but
 corrupt ideas with which we have to contend.

I hope that you are well and that the work is going forward with
 ever increasing encouragement. I trust that the whole movement, and not
 least the work in behalf of the Mohammedan world, may get a great impetus
 from the Edinburgh Conference in June. I found the deepest interest in
 the conference in Scotland, and there is almost as great interest here,
 although naturally on this side it is connecting itself more at the pres-
 ent time with the Laymen's Missionary Movement and the development of
 the different Boards. In with a particular convention such
 as this may glow on the hearts and in the imagination of the Scotch

My dear Dr. Patton,

Your very kind letter of March 10th has been duly received. Nothing that it may be in my power to control will interfere with my acceptance of your invitation. The only difficulty I see in the way of my accepting of being assigned to visit the synods of our Church in some far distant part of the country, the synod meeting falling almost entirely in the month of October. I have been pretty well over the country the last few years, however, and expect to be allowed to visit in the next three or four years, and I shall let you know within a few days whether we cannot so far tentatively arrange our synod visitation as to determine whether I can be free to accept your invitation.

I return herewith Gallows 35 to 55 inclusive. I have read all the rest of the proof and will send it back within two or three days. I am only holding it to get permission from two friends to quote certain private papers of theirs. I shall have all the galley proof in your hands within a few days.

The more I think of the book, the more I dislike the large form in which Dr. Richter's book is gotten up. I earnestly hope that you can put this out in the same size and general style as "Missionary Principles and Practice" or "Missions and Modern History," and I do wish that it might be possible to issue the book for \$1.50. Even if the price must be \$2.00, however, I think it would be better to have it in the more convenient size and shape indicated.

I have received a copy of "The Unfathomable Sorrow" which I shall be very glad to look over, if possible. I thank you very much for it and for the book of Richter's.

Very cordially yours,

March 18th, 1910.
